ACKNOWLEDGEMENTS

I feel highly indebted to my supervisor, Dr. A.K. Gupta, Senior Lecturer, School of Life Sciences, for his constant encouragement and inspiring guidance throughout my studies and research work.

I deem it a great privilege to acknowledge my profound sense of gratitude to my esteemed teacher Professor S.M. Agarwal, Ex-Vice Chancellor, Pt. Ravishankar Shukla University, Ex-Head, School of Life Sciences for his constant inspiration, valuable advice and encouragement which enabled me to carry out the present work.

I am thankful to Professor, S.S. Ali, Head, School of Life Sciences, Pt. Ravishankar Shukla University, Raipur for providing all the research facilities. I am also thankful to Drs. M.L. Naik, V. Rai, S.K. Mishra, A.K. Pati, (Mrs.) A. Poddar, G.B.K.S. Prasad, S.C. Naithani, Nibha Gupta and Vijaya Kapade for encouragement and suggestions.

My special thanks are due to research colleagues, Mr. K.K. Harris, Ms. Shobha Gupta nee Gawri, Dr. Jayant Biswas, Miss. Shipra Sinha, Miss. Usha Baghel and other
friends from different laboratories for feeling concern and to the supporting staff of School of Life Sciences for cooperation.

I must take this opportunity to thank my uncle Shri. Madhur Mohan Dubey, my parents, elder brother Shri. Arun Dubey and both of my younger sisters, Archana and Pooja, who have been a constant source of inspiration during this study, and for the pains they have taken, from all corners of my heart.

I am also thankful to the University Grants Commission, New Delhi for granting Junior Research Fellowship in a project entitled, "Pathophysiology and Immunology of fresh water fishes and snails"; Pt. Ravishankar Shukla University for Chattisgarh studies scholarship and Council of Scientific and Industrial Research, New Delhi for Senior Research Fellowship.

Lastly, I thank Mr. L.K. Singhania, Managing Director, Indus Technical and Financial Consultants Limited, Raipur, for providing me facility and Mr. Bose Philip for typing this thesis.

(Abha Dubey)
