## CONTENTS

### CHAPTER I INTRODUCTION
1.1 Modern Medicine - A brief history .......................... 3
1.2 Social Dimensions of Medicine ............................... 10
1.3 Contribution of Sociology to Medicine - Medical Sociology .... 16
1.4 Background of the present study ............................ 20
1.5 Review of available literature in the area of Medical Sociology in India ............................ 21
1.6 Scope and Significance of the present study ................. 32
1.7 Methodology .................................................. 33
1.8 Organization of the thesis .................................. 40

### CHAPTER II SYSTEMS OF MEDICINE IN INDIA
2.1 Ayurveda ......................................................... 42
2.2 Siddha .......................................................... 44
2.3 Unani ............................................................ 44
2.4 Homoeopathy .................................................. 46
2.5 Folk Medicine .................................................. 48
2.6 Allopathy ....................................................... 48
2.7 Traditional Medicine Systems in Modern India ............... 51

### CHAPTER III DOCTORS IN GOVERNMENT MEDICAL SETTING
3.1 Introduction: Doctors and the Patients ....................... 56
3.2 Size of the Universe .......................................... 61
3.3 Socio-economic background of Doctors ....................... 62
3.4 Doctor-Patient Interaction in Government Medical Setting .... 70
3.5 Doctor's views about their profession ....................... 82

### CHAPTER IV PATIENTS IN GOVERNMENT MEDICAL SETTING
4.1 Introduction ..................................................... 95
4.2 Socio-economic background of patients ....................... 96
4.3 Doctor - Patient Interaction .................................. 103
4.4 Patients' choice of the Doctor ................................ 116

### CHAPTER V DOCTORS IN PRIVATE MEDICAL SETTING
5.1 Introduction ..................................................... 126
5.2 Size of the Universe .......................................... 129
5.3 Socio-economic background of Doctors ....................... 129
5.4 Doctor - Patient interaction in Private Medical Setting .... 135
5.5 Doctors' views about their profession ....................... 147

### CHAPTER VI PATIENTS IN PRIVATE MEDICAL SETTING
6.1 Introduction ..................................................... 158
6.2 Socio-economic background of Patients ....................... 160
6.3 Doctor - Patient interaction .................................. 169
6.4 Patients' choice of the Doctor ................................ 183
CHAPTER VII SUMMARY AND CONCLUSIONS

7.1 Doctors - Government and Private Medical Setting
7.1.1 Socio-economic background of Government Doctors .... 195
7.1.2 Socio-economic background of Private Doctors .... 196
7.1.3 The views of Government Doctors regarding their Profession .... 196
7.1.4 The views of Private Doctors regarding their Profession .... 198
7.1.5 Expectations of Government Doctors from the Patients .... 200
7.1.6 Expectations of Private Doctors from the Patients .... 200

7.2 Patients - Government and Private Medical Settings
7.2.1 Socio-economic background of Patients in Government Medical Setting .... 201
7.2.2 Socio-economic background of Patients in Private Medical Setting .... 202
7.2.3 Patients' choice of a Doctor in Government Medical Setting .... 202
7.2.4 Patients' choice of a Doctor in Private Medical Setting .... 203
7.2.5 Expectations from the Doctors in the Government Medical Setting .... 204
7.2.6 Expectations from the Doctors in the Private Medical Setting .... 205

7.3 Nature of Doctor - Patient relationship
7.3.1 Nature of Doctor - Patient relationship in Government Medical Setting .... 205
7.3.2 Nature of Doctor - Patient relationship in Private Medical Setting .... 206
7.3.3 The probable impact of different Medical Settings on the Doctor - Patient relationship .... 207
7.3.4 Suggestions for further research .... 209

BIBLIOGRAPHY .... 211
APPENDICES .... 226
