The diagram shows a bar chart with the following data points:

- k = Qy
- e = a^{1/2}
- m - k - n - u
- D - o - a - v - y
- e - a - s - a^{1/2}
The bar chart shows data from 2004 to 2011. The x-axis represents the years from 2004 to 2011, and the y-axis represents a scale from 0 to 1200. The chart includes multiple bars for different categories, each color-coded and labeled.

Key:
- {ks = ¼gs Dš; j e s a ½
- mR k n u ¼f D a W e a s ½

The chart likely represents some form of statistical or categorical data, but the exact nature of the data is not specified in the given text.
