ACKNOWLEDGMENTS

I deem it a rare privilege to work under the supervision of Dr. V. Damodara Reddy, Professor Department of Geology, Sri Venkateswara University, Tirupati. It gives me an immense pleasure to place on record the deepest wholehearted gratitude and indebtedness to him for his meticulous care with which he rendered concrete suggestions so as to make this thesis most precise and effective possible and complete this work, successfully.

Special appreciation is due to Prof. K.R. Reddy, Principal Investigator - DST-MRP, Department of Geology, S.V. University for giving me an opportunity to work in the project. Thanks to Prof. K.R. Reddy for his encouragement, Co-operation during the period of this research work.

I extend my heartfelt thanks to Dr. A. Nallapa Reddy, Superintendent Geologist, Oil and Natural Gas Commission, Madras, for his untiring help in identifying the foraminiferal species. I gratefully acknowledge his constant support and for constructively reviewing the manuscript and offering many a valuable suggestion to make thesis elegant and concise.

I humbly place on record my gratitude to Dr. N. Jayaraju, Young-Scientist (DST), Department of Geology, S.V. University, Tirupati, for his expertise, valuable suggestions, stimulating discussion and critics, without which I could no have completed this uphill task.

I would like to thank Prof. R.C. Hanumanthu, Chairman, Board of studies, Prof. T.V. Krishna Reddy, Head, Department of Geology and Prof. N. Subba Reddy, Prof. K. Kesava Raju, former Heads for providing necessary facilities to carryout this work.

I thank profusely Mr. U. Suresh, Chemical Analyst, Dr. Y. Srinivasa Rao, Pool officer – CSIR, Mr. M.V. Subba Reddy, JRF-DST, Department of Geology, S.V. University for their help in various ways and co-operation in during the research period.

I thank to my friends D. Lokeshwar Reddy & Family and Mr & Mrs Y. Janardhana Reddy & Family who helped me in various ways.

I would like to express my immense thanks to my friends Dr. M. Maheswara, Dr. M. Praveen Kumar, Dr. A. Hemasundaram, Mr. V. Siddaiah, Mr. K. Ramamohan, Mr. Syam Prasad Reddy, Mr. Prabhakar,
Mr. B. Prasad and Mr. Kiran who made my life enjoyable both at work and in my free time and for co-operation, moral support and encouragement received from them during the period of my research work.

I thank to K. Guru Rajesh, ONGC, Culcutta, G.S. Vara Prasad, NGRI, Hyderabad and M. Sathish and Family for their constant encouragement and moral support throughout this work.

I thank to Mr. S. Anil Kumar Reddy, Research scholar, Department of Sociology, and Dr. M. Reddy Bhaskar Reddy, Department of Geography, Mr. K. Siva Prasad, Department of Home Science and Mr. Soma Sekhar, Department of Extension Education Mr. Prasanth & Mr. Sukumar for their timely help.

It is my pleasant duty to thank my senior research colleagues Dr. M. R. Goutham, Dr. K. Raghu Babu, Dr. H. Devi Singh and junior research scholars Mr. K. Madhusudhana Goud, L. Hari Kumar, Mr. Sridhar Babu, and Mr. R. C. Akkullppa for their constant encouragement, co-operation, and timely help.

I take the opportunity to express my profound honor, love and gratitude towards my beloved parents, especially to my sister and brother-in-law, and their constant support, fervent encouragement and financial help during the course of this investigation, without whose help this work would not have been successfully completed.

I express my special thanks to V. P. Dimri, Director, NGRI, Hyderabad for his co-operation and necessary help.

The financial help offered by Department of Science and Technology (DST), New Delhi, in the form of project fellows is gratefully acknowledged.

I am thankful to the authorities of Andhra Pradesh Pollution Control Board (APPCB), Nellore, Govt. of AP for providing the necessary data.

I am indebted to the authorities of S.V. University for providing me necessary facilities to carry out my research work.

I may permitted to thank near and dear who helped me in this work in various ways, whose names cannot be catalogued here for fear of space.

(B.C. SUNDARA RAJA REDDY)
