ACKNOWLEDGEMENTS

I have no adequate words to express my deep sense of gratitude to my teacher Prof. B.B. Tandon, Chairman, Department of Commerce & Business Management, Panjab University, Chandigarh, for his invaluable guidance, supervision and encouragement during the completion of this work.

I am grateful to my teachers Prof. T.N. Kapoor, Dean, Faculty of Business Management and Commerce, Panjab University, Prof. S.D. Tripathi (Retd.), Prof. J.L. Rastogi, and Prof. S.P. Singh, who encouraged me to take up research.

I am indebted to Prof. Ganti Subrahmanyan, National Institute of Bank Management (NIBM), Pune, from whose papers the idea of present work originated.

My thanks are due to Sh. Surinder Singh Bedi and Sh. Satwant Singh, Librarians, Department of Commerce and Business Management, Panjab University, Sh. K.N. Yaksh, Librarian, D.A.V. College, Chandigarh; Director and Library Staff of National Institute of Bank Management (NIBM), Pune and the staff of Libraries of Panjab University, ICSSR, Ministry of Finance, FICCI, Reserve
Bank of India, Delhi University (Ratan Tata Library), National Labour Institute, New Delhi; Bankers' Training College, Reserve Bank of India, Bombay University (Jawahar Lal Nehru and Fort Library), Indian Banks' Association, Bombay, for their assistance in collection of data and library consultations.

I am also thankful to Bureau of Labor Statistics, United States Department of Labor, Washington, for making some paper available to me.

In the preparation of this volume, I have been obliged to friends and well wishers too numerous to mention. However, I must name a few like, Dr. Manoj Kumar Sharma, Lecturer, Deptt. of Commerce and Business Management, Panjab University, for his valuable suggestions; Mr. Charanjit Chawla, Lecturer, SGGS College, Chandigarh for taking up certain responsibilities to spare me for research work, and my sister-in-law Mrs. Drivjot Arora Aggarwal for helping me with the manuscript.

I gratefully acknowledge the help received from UGC/ICSSR for sanctioning me short term fellowships, and my employers for sanctioning me leave for completion of this work. I am also thankful to Sh. Anil Kumar, Assistant Programmer, Computer Centre, Panjab University, Chandigarh, for his help in carrying out analysis on computer, and Sh. Devinder Singh, who skillfully typed this dissertation.
I am grateful to my wife Manmeet, who helped me in more than one way during the research and my daughter Jagnoor, who was so understanding when I failed to attend to my duties towards her. I appreciate the concern of my mother Mrs. Naranjan Kaur, my brother-in-law Dilbir Singh Cheema and sister Jaswant Kaur Cheema, who, while living at a far away place (Canada), were all the time concerned about timely completion of my work.

I dedicate this work to Shaheed-e-Azam Bhagat Singh, a great martyr of our freedom struggle, and his sister Late Bibi Amar Kaur, who continued to work for secularism and the upliftment of downtrodden till she breathed her last.
