ACKNOWLEDGEMENTS

It is my cherished privilege to gratefully acknowledge my sincere indebtedness to the revered mentor Dr. Satish Kapoor, Reader, Department of Commerce and Business Management, Panjab University, Chandigarh. He proved to be a beacon guide to me and I wish to record my deep appreciation for his invaluable and illuminating guidance, right from gestation, up to write up and completion of this research work.

I am extremely grateful to Dr. Bidhi Chand, Chairman, Department of Commerce and Business Management, Panjab University, Chandigarh for providing me administrative facilities.

I must also express my gratitude to various executives of Export Promotion Councils, Ministry of Commerce, Federation of Indian Chamber of Commerce and Industry (FICCI), Federation of Indian Exporters Organisation (FIEO), Indian Institute of Foreign Trade (IIFT), inspite of having a hectic schedule, it is heartening to recollect how they spared their precious moments in supplying the very basic material on which my thesis is founded.

In the course of research work, I had to visit many Libraries. The Libraries concerned readily provided the necessary material. My thanks are also due to them.
I will be always indebted to my husband Sh. Varinder Singh Jaswal, whose constant co-operation and zestful association made me withstand all the difficulties during the entire span of this research work. He always encouraged and inspired me to complete this work. My gratitude is also due to my little son, 'Abhiney' who devoted his infancy smiles and tears.
