

ACKNOWLEDGEMENTS

It gives me great pleasure to thank Dr. K. Kemparaju, for his invaluable guidance, keen interest and constant encouragement during the period of this Research investigation.

I express my sincere thanks and deep sense of gratitude to Dr. K. Udaya Sankar for his immense help throughout the investigation.

I am extremely thankful to Dr. G.K.Nagesh who has been extending his cooperation and giving suggestions of great value during the course of the research work.

My sincere thanks to Dr. M. Karunakumar, Head, Department of Biochemistry Manasagangotri, Dr. K.S.M.S. RagavaRao, Head Department of Food Engineering, CFTRI, Mysore, Mr. B. Manohar, Scientist, Department of Food Engineering, CFTRI, Mysore, for their keen interest in the work and for providing excellent laboratory facilities.

I am grateful to the Director, Dr. V. Prakash, Central, Food Technological Research Institute, Mysore for permitting me to work in the research institute.

I wish to thank Prof. K.G. Shivakumaraswamy Dr. Suvendu Battacharya, T. Ramesh, C. Mahadevaprasad and Kumar for their family help in various ways.

The help extended by the staff of the Department of Biochemistry, Manasagangotri, and Food Engineering Department, CFTRI is gratefully acknowledged.

I am indebted to my parents D.S. Siddappa and Rathamma, to my family persons M.S. Shivaprakash, M.S. Geetha, J. Jagadeesh, L. Suma and to my wife S. Divya, without whose concern , encouragement and moral support, this thesis would not have reached the final goal.
