LIST OF TABLES

Chapter 2
2.1 MNVs for the five pixels
2.2 Gaussian generated image details and classification results
2.3 Classification results of major land covers

Chapter 4
4.1 Gaussian generated image details and classification results
4.2 Area covered by the major land covers in Nagarhole forest area
4.3 Area covered by the major land covers in Coorg forest area

Chapter 5
5.1 Gaussian generated image details and classification results
5.2 Classification results of major land covers

Chapter 6
6.1 Randomly generated image details
6.2 Classification results
6.3 Classification results

Chapter 7
7.1 Classification results of Coorg forest area
7.2 Area covered by Harangi reservoir of Coorg District
7.3 Periodical variations of major land covers in Coorg District

Chapter 8
8.1 Sample example of a confusion matrix Error[ ] for k classes
8.2 Performance evaluation of clustering methods: Chapter 2
8.3 Performance evaluation of clustering methods: Chapter 4
8.4 Performance evaluation of clustering methods: Chapter 5
8.5 Performance evaluation of feature reduction methods: Chapter 3
8.6 Sample example of a confusion matrix: Chapter 6
8.7 Performance evaluation of classification methods: Chapter 6
