ACKNOWLEDGEMENTS

I acknowledge, with a deep sense of gratitude, the supervision of this thesis by Professor Gopal Krishan, Department of Geography, Panjab University, Chandigarh. His encouragement, guidance and constant help played a major role in the fruition of this endeavour.

I would like to sincerely thank Professor Swarnjit Mehta for examining the first draft very minutely. Her ideas and suggestions helped to improve the quality of this work.

I am indebted to innumerable officials of the Punjab Government who supplied the necessary data and information on the theme. Professor H.S. Sur, of the Punjab Agricultural University, Ludhiana, merits a special mention in this regard.

I wish to thank Ms. Gogi Sokhy for the meticulous typing of this work and Mr. Mohan Singh for his excellent cartography.

I am grateful to my family for their help and encouragement.
