ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to Dr. N.C. Ganguli, M.Sc., D.Sc., F.C.I., Head, Division of Dairy Chemistry, National Dairy Research Institute, Karnal, for his inspiring and benevolent guidance during the course of this investigation.

I am also thankful to Dr. N.H. Dastur, former Director, National Dairy Research Institute, Karnal for his encouragement and keen interest shown during the investigation. Thanks are also due to Dr. S.P. Arora, Head, Division of Nutrition and Physiology, National Dairy Research Institute, Karnal for his kind help and encouragement during the writing of this manuscript.

My grateful thanks are also due to the Principal, Dairy Science College, and Director, National Dairy Research Institute, Karnal for providing necessary facilities during the investigation.

Finally, I also wish to express my appreciation and thanks to my wife, for her inspiration, patience and dedication during the study period.
