Rules under the U.P. Consolidation of Holdings Act.

Valkenburg, S.V.
Vol. 25, No. 1.

Willatts, E.C.
Current 'Khasras' of the sample villages for the years 1953-54 to 1956-59.

'Khasras' are the registers maintained by the lekhpals, who record, therein, the field numbers and areas and the areas devoted to each crop separately, in each field.

Current 'Khataunis' of the sample villages for the years 1953-54 to 1956-59.

'Khataunis' are the registers maintained by the lekhpals, who record, therein, the field numbers and areas and the names of the land holders of each field and its land revenue.

Old 'Khasras' and 'Khataunis' of the sample villages.

These are available for the Land Settlement years, e.g., 1871-76 and 1939-42, in consolidated volumes known as 'Jild Bandobasti' or Land Settlement Record Volumes. These are kept in the Record Room of the District Land Record Office at Moradabad and are written in Urdu.

'Jild Chakbandi' (Consolidation of Land Holdings Record Volumes) for the villages Bahadurpur and Khabri Gandu, year 1955-56.

These are also available in the Record Room of the Distt. Land Record Office and are written in Hindi.

Sadar Qanungo's Milan Khasras (Annual Area Statements) for the years 1953-54 to 1956-59.

These are available at Sadar Qanungo's Office, Moradabad and provide consolidated official data for the various types of land use and individual crops.

Registrar Qanungo's Milan Khasras (Annual Area Statements) for the years 1953-54 to 1956-59.

These are available at Registrar Qanungs' Offices at the tahsil headquarters of each tahsil.

Rainfall records maintained at the Nazir's Office at the tahsil headquarters of each tahsil.
