Acknowledgements

First and foremost I express my sincere gratitude to my guide Dr. H. A. Ranganath, M. Sc., Ph. D., F. A. Sc., F. N. A. Sc., F. N. A., (Currently Vice-Chancellor of Bangalore University), Professor, Department of Studies in Zoology, University of Mysore, Manasagangotri, Mysore for identifying the problem, valuable guidance, all the help and encouragement.

I am highly grateful to Dr. S. R. Ramesh, M. Sc., Ph. D., Professor, Department of Studies in Zoology, University of Mysore, Manasagangotri, Mysore for his help and also for allowing me to use his equipment gifted by Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ), Germany throughout my work.

I am thankful to Chairmen of the Department of Studies in Zoology, University of Mysore, Manasagangotri, Mysore for providing the facilities to carry out research work. I am grateful to all my teachers in the Department of Studies in Zoology, University of Mysore, Manasagangotri, Mysore for their help directly or indirectly.

I am whole heartedly indebted to Dr. J. Nagaraju, Scientist-VI, Centre for DNA Fingerprinting and Diagnostics (CDFD), Hyderabad, India for generously having me in his lab and providing everything for the DNA work.

It’s a pleasure to express my gratitude to my seniors and all the fellow scholars of our Department and Research scholars of Lab of Molecular Genetics, CDFD, Hyderabad for their kind co-operation and help rendered to me. My thanks are due to the Drosophila Stock Center of the Department for providing the Drosophila stocks, Mr. Chikkanna, Mr. Shivanna M. K., Mr. Chennegowda and other non-teaching staff members for their co-operation.

Further, I thank Dr. Vishnu Hebbar, Dr. Ravi, Department of Statistics, University of Mysore, Manasagangotri, Mysore and Mr. Muralidharan, Mr. Sriramana, K, Lab of Molecular Genetics, CDFD, Hyderabad for their help in statistical analysis of the data.
I remain grateful to my friends at Hyderabad, Ms. Padma Priya, P., Mrs. Kritika, G., Mr. Prashanth, K and Mr. Arun Kumar, K. P, for their wholehearted care and encouragement which made my stay comfortable and memorable at CDFD, Hyderabad.

These investigations were possible due to funding of the Research project (to Prof. H. A. Ranganath) by Department of Science and Technology (DST), New Delhi (SP/SO/C-51/98) and senior research fellowship from Council for Scientific and Industrial Research, New Delhi. The award of fellowship by DST and Council for scientific and Industrial Research, New Delhi is gratefully acknowledged.

I would be failing in my duties, if I do not acknowledge my father Mr. Satish Chandra Gangal, M. L., my mother Mrs. Rama Rani, C. and my beloved brother Mr. Adarsh Gangal. Their care and unstinted support formed a continuous source of inspiration for me.

Finally, I thank one and all, who have helped me directly or indirectly in one way or the other, that enabled me to bring out my research work in the form of thesis.

Senior Research Fellow
Dept. of Studies in Zoology
Manasagangotri, Mysore-570 006.
INDIA.
