ACKNOWLEDGEMENTS

A research study like this cannot be contemplated in the absence of the guidance and help from different sources at different levels. At this stage, I consider it a rare privilege and earnest duty to express my deepest gratitude to dignitaries, friends and institutions connected with this research endeavour.

My first and foremost thanks are due to my guide Dr. K. Ramasamy, Professor cum Deputy Director, Central Institute of Indian Languages, Mysore. This study could see the present form only with his utmost care, encouragement and guidance. He has patiently and meticulously gone through the whole work and provided valuable suggestions for necessary modifications.

I take this rare opportunity to express my whole hearted thanks to Prof. K. Balasubramanian, former Director, C.A.S., in Linguistics, Annamalai University for initiating and encouraging me for higher studies and specifically this research work.
