Thanksgiving is a revered Indian culture. Although I owe a lot to many people, due to space constraint, I am explicitly expressing here THANKS to only few, for which I may be pardoned.

I wish to express my deep sense of gratitude towards my guide Dr. B. B. Ahuja under whose guidance I had the privilege and pleasure of working. It was his constant endeavour, encouragement and valuable guidance that have led to the successful completion of this research work.

Words fail to express my gratitude towards Dr. S. K. Basu, Professor Emeritus, Production Engineering Department, College of Engineering. I am grateful to him for sharing his valuable insights and wealth of knowledge. I am indebted for his marathon efforts, accompanied enthusiasm, encouragement and the adept advice. His inspiration and motivating support forms a great share in successful completion of this work, which I received during every stage of working on this thesis.

I sincerely thank Dr. A.D. Sahasrabudhe, Director, College of Engineering, Pune who gave me an opportunity to work in the Institute and provided all the facilities required.

I owe a special note of thanks to Dr. P. P. Chikte, Dr. L. G. Navale, and Prof. K. G. Patil for their encouragement during the course of this research work.

I take this opportunity to express my gratitude to (Dr.) Mrs. N. R. Rajhans, Head Production Engineering Department for her constant encouragement and timely help during the course of this research work.

I would like to thank Prof. S. R. Bahulikar from V.I.T. Pune and Prof. P. D. Pantawane, Prof. M.D. Jaybhaye, Prof. B. U. Sonawane, Prof. (Mrs.) A.V.Mulay, Prof.
S.M. Patil, Prof. B Rajiv, Prof. S.U. Ghunage and all staff members of Department of Production Engineering, College of Engineering, Pune.

My profound thanks to Prof. (Dr.) S. N. Sapali, Prof.(Dr.) D. W. Pande, Prof.(Dr.) Mrs. M. G. Karnik from Mechanical Engineering Department and Prof.(Dr.) S. T. Wagge, Prof.(Dr.) M. J. Rathod, Prof.(Dr.) R. K. Goyal from Metallurgy Department for sharing their valuable insights and competent knowledge during every progress presentations.

Mr. Vikram Chidgupkar, Professional Campus Manager, Henkel Adhesive Technology, India and Mr. Prashant Bhave, Director, Infinity Engineers deserve special thanks for their valuable technical support and timely help.

Encouragement rendered by my parents reinforced by pre-eminent support and motivation by my wife Rajeshree and daughter Malvika, at every stage of my work enabled me to complete the research work.

I would like to extend my earnest gratitude to the management and staff of Vishwakarma Institute of Technology, Pune, for their wholehearted support and cooperation.

Also I am thankful to all the well wishers who directly and indirectly supported and contributed for the completion of this thesis.

Above all, it is solely the wish of the Almighty and His blessings, that the thesis has reached a successful completion.

Mahesh Vishnoo Walame.
