Acknowledgements

I wish to acknowledge lot of people for their unwavering support during last five years working on my thesis, and I would like to express my sincere gratitude to:

Thesis supervisor, Dr. G. J. Phatak for his advice, encouragement and resolute support...I am grateful to him for the opportunities he has given me, for countless technical discussions, and also for his patience and understanding. His enthusiasm for new ideas is infectious, and has helped me to broaden my interest in applied research. Thankfully, I had a phenomenal mentor in him who has helped me in the overall development of my career during these years.

Professor Sadgopal Date for inspiration and scientific counsel......He taught me a great deal about the physics of Mössbauer spectroscopy. A scientific approach he and my advisor imparted on me to unveil the research topics and the art of writing manuscripts would be the lessons of profound importance. I am thankful to him for the great care he took in reading and commenting on my papers. I also owe an immeasurable debt to him for his love and unceasing support. Thank you, Professor. I am obliged to both of them for showing interest in my personal well-being.

I am grateful to Prof. (Ms.) S. A. Gangal and the committee members, Prof. S. I. Patil and Prof. (Mrs.) R. C. Aiyer for their valuable guidance during pre-synopsis.

I express my sincere gratitude to Dr. D. P. Amalnerkar, ED, C-MET, and C-MET authorities for their support and permitting me to avail lab facilities during this work.

I must acknowledge enormous support from BRNS for their funding through Senior Research Fellowship. I am grateful to Dr. S. K. Gupta, Dr. PVA Padmanabhan and Dr. (Mrs.) Manmeet Kaur from BARC for their proactive support. I place on record the support of many individuals from IITs, TIFR, NCL, BARC, Pune University, DRDO and C-METlabs for extending research resources available with them and for scientific discussions. Dr. Ramesh Chandra, Prof. S. C. Kashyap, Prof. S. K. Dhar, Prof. S. M. Yusuf, Prof. S. P. Gokhale, Dr. Suresh Gosavi, Mr. Jagdish Singh, Amit Chawala, Shiv Kumar, and Late (Mrs.) Rekha Sharma, M. Sivakumar, A. M. Walimbe, Vijay Sarode and Sher Singh Meena are some of them. I owe a special thanks to Prof. K. P. Ray (SAMEER, Mumbai) for his help in microwave magnetic characterization. All their help is gratefully acknowledged.
In this endeavor, I must thank the people from industry….Tukaram Ghoghare, Anil Newale, Pradip Raka, Nikhil Deo, S. B. Sakat, A. Champanerkar, Yashawant Hinge and Late Mr. Umran, Kishor Kulkarni, Suresh Nayar, Mr. Munot and many others for rendering timely services to realize difficult experiments. I have been associated with them very closely to discuss many technical issues. Thank you all.

I owe a special thanks to my friends Manish, Sunil, Amol, Ranjit and Shekhar with whom I have spent a significant portion of my time in C-MET, having several unbroken discussions and also for long, frequent and enjoyable coffee breaks. All of them were there around me to support, to motivate, to share my frustrations and excitements. Thanks are also due to Vikrant, Sudhir, Shashikant, Atesh, Adwait, Atul, Narayan, J. D. Ambekar, Sudhir Arbuj, Varsha, Sonali Naik and Vijaya Giramkar, all my great friends I have made in my time here who have helped me to keep things in perspective. It was nice working so closely with senior members in the group: Dr. Sunit Rane, Dr. Shany Joseph and Mrs. Vijaya Giramkar. They are the source of invariably excellent advice and support throughout these years. My sincere thanks are due to my friends Yogesh More, Shrikant, Partha, Adinath, S. Ambad, Bibhuti, Govind, S. Garje, Mangesh, Mahesh, Yogesh, Iftekhar, P. Joshi, Chandrakant, Sayaji, Rupesh, Sachin, Jaya, Advaita, Dipali, Ashutosh, Nikam sir and Dr. R. K. Goyal. Thanks for being great friends.

I am grateful to C-MET Director, Dr. U. P. Mulik, all scientists, Registrar Mr. P. I. Sadanandan, Admin. Off. Mr. P. V. Bhoite, Admin. and Finance dept., security and conservancy staff from C-MET labs for their help and support. I am thankful to Dr. B. B. Kale for his generous help. It is difficult to overstate my gratitude to Dr. Nimbalakar, Mr. M. A. Patil, Mr. B. K. Waghmode, and Dr. Kanade for their support over the years.

My Parents and Relatives....for their love, patience and resolute support...This marathon test could not have been completed without their confidence in me. My parents allowed me to live an unencumbered life during these years, and I cannot thank them enough for that. Thank you Mihir, Sheetal and Prashant for your support and encouragement.

Finally, I earnestly thank all those who have helped me directly/ indirectly towards completion of this dissertation.

Thank you all!!!
