Acknowledgements

I express my sincere and deep sense of gratitude to my most inspiring beloved teacher and guide Dr. Y.B. Basavaraju, Reader department of Chemistry University of Mysore, Manasagangotri, Mysore, under whose guidance the present research work has been carried out. His wholehearted, dedicated guidance, constructive criticism, valuable discussion, constant inspiration and encouragement, which made me to complete the task and bring the thesis to its present form.

I am thankful to Prof. B.N. Achar, Chairman, DOS in Chemistry, University of Mysore, Manasagangotri, Mysore, for help and encouragement.

I fondly remember with gratitude Prof. K.S. Rangappa, Prof. A. S. Anandamurthy, Prof. Rangaswamy, Prof. D. Channegowda, Prof. K.M.L. Rai, Prof. Yathirajan, Prof. Syeed Akheel Ahamad, Prof. K. Basavaiah, Dr. S. Shashikanth, Dr. P. Nagaraj, Dr. K. N. Mohana, Dr. Nagaraja Naik of Department of studies in Chemistry, Mansagangotri, Mysore, for their valuable support during my research work.

I acknowledge my sense of appreciation for co-operation of The National Center for Science and Librarian, IISc, Bangalore, staff of FOSTIS (Library), CFTRI, Mysore and Librarian, University of Mysore.
I am thankful to Prof. Prahlad, Scientist-in-Charge, USIC, University of Mysore, Manasagangotri, Mysore for getting the PMR spectra and Dr. H. S. Hariprasad, Sr. Lecturer, Mrs. Divya Jyothi, Research Scholar, DOS in Chemistry,
Central College, Bangalore University for getting the IR spectra of most of the compounds.

The CDRJ, Lucknow, IIT Madras, Chennai are gratefully acknowledged for providing high-resolution PMR spectra, mass spectra and elemental analysis data of my research compounds.

I remember with gratitude Dr. Shobha Jagannath, Reader, DOS in Botany for their help in carrying out the antimitotic activity and my friends helped in carrying out the anticancer activity of the compounds recorded in this thesis.

I remember with gratitude Prof. G.T. Bhandage, Principal, Prof. B. S. Raghavendra, Head DESM, Dr. G. R. Prakash, HOD of Chemistry, Dr. M. S. Srimathí and Mrs. Shanthalaxmi of Regional Institute of Education, Mysore for their cooperation during the course my research work.

I have special regards to Dr. A. G. Gopala Krishna, Sr. Scientist, LS & TF Dept. and Dr. L. Jagan Mohan Rao, Dr. S. Nagarajan, Sr. Scientists, PPSPT Dept., CPTIJ, Mysore, for their kind cooperation and encouragement during my research work.

I am thankful to lab assistants Manjegowda, B. M. Vishakantegowda and Girish of Physical chemistry sections of DOS in Chemistry, MGM for their help and cooperation.

I cannot forget my research colleagues Dr. B. Sadashivamurthy, Devaraju and Tamil Selvan for their cooperation and timely help during the course of my research work.

I wish to thank my admired ever well wishing friends M. P. Ganesh, K. S. Prashanth, H. K. Anandkumar, A. D. Sathisha, S. N. Sheshadri, Suparshwa, V. V. Sathish, Srinath, Dr. S. P. Madhu, Sathya Urs, Dr.P. Nagegowda, Dr.H. G.

I wish to thank my research friends of the department Venu, Arun, Prakash, Shivkumar, Ravikumar, Manjunath, Jayashankar and Dinesh.

I wish to thank all the non-Teaching staff members of the Department of chemistry, MGM.

I am thankful to my teacher Sri B. B. Lakshmegowda, K, R, Narayana Setty and Prof. D. L. Balakrishna, GCI, Mysore for their encouragement.

I always remember with gratitude Sri Vid. H. R. Sudheer, my respected and beloved music teacher has been the constant source of ever lasting inspiration through music.

I am indebted to my uncle G. V. Harsharaju for his support during my education career.

I am indebted and find no words to express their love and affection extended by my mother Smt. A. N. Kamalamma, father Sri K, H. Hanumantha Setty, my sister's son Chi. D. Raghavendra, brother Lohithkumar, sisters Dhanalakshmi, Usha and my family members, who encouraged throughout my educational career.

Finally, I thank all my friends and well wishers who directly or indirectly helped me during my research work.

(K. H. Hemakumar)
