Acknowledgements

I have immense pleasure in expressing my heart felt gratitude and sincere thanks to Dr. B. N. Achar, professor and chairman, Department of Studies in Chemistry, Manasagangothri, University of Mysore, Mysore, who introduced me to this fascinating field and taught me the fundamentals of research. Without his encouragement, valuable guidance, moral support and constructive criticism it would have been impossible to complete this research work. I am indebted to him.

I am thankful to Prof. K. S. Rangappa, former BOS chairman, DOS in Chemistry, University of Mysore, Mysore, for his encouragement and cooperation.

I express my sincere thanks to Prof. H. S. Yathirajan and Dr. M. Bolte for collaborative single crystal X-ray diffraction studies. I would like to express my deep sense of gratitude to Mr. G. K. Kiran, Mr. S. G. Hirianna and Mr. Raju Nilkantache for their support in powder X-ray diffraction data. My special thanks are due Mr. S. Subramanian of CEESAT, Trichi for thermal analysis data.

My special thanks are due to Mr. Sai Suryanarayana, H. R. Manager, Glaxosmithkline pharmaceuticals, Pvt. Ltd., Mysore and my department colleagues for their moral support.

I am indebted to Prof. R. A. Singh, Prof. Anatol Kojlo, Prof. Puzanowska-Tarasiewicz, Ms. Marta, Dr. M. N. Kumara, Dr. S. Basappa, Dr. M. Akash, Dr. K. K. Lakshmisha and the Director, NESCAIR, New Delhi, for helping me in getting the research articles.

I would like to thank the librarians of University of Mysore, Mysore, CFTRI, Mysore and IISc, Bangalore for their kind assistance rendered to do literature survey.
It gives me pleasure in thanking Prof. Syeed Akheel Ahmed, Prof. K. M. L. Rai, Prof. D. C. Channe gowda, Prof. G. Nagendrappa, Dr. S. Ananda, Dr. Y. B. Basavaraju, Dr. K. Basavaiah, Dr. K. Shasikanth and Dr. Revanasiddappa DOS in Chemistry, Mysore, for their encouragements.

I would like to acknowledge my thanks for the comradeship created by lab mates Dr. S. Bellappa, Dr. K. S. Lokesh and Dr. T. M. Mohan kumar. I always remember my happy association with them.

I take this opportunity to remember my research colleagues and well wishers Dr. B. P. Dayananda, Dr. Manjula, Dr. V. Bhaskar, Mr. K. S. Venkata Shesha, Mr. K. M. Goutham and his family.

Thanks are due to non-teaching staff of the DOS in Chemistry, Manasagangothri, Mysore, for their kind help and co-operation. I also thank my brothers, sisters and their family for encouragement and blessings.

I have no words to express the patience, affection, care and concern of my beloved wife P. S. Shobha, my in-laws, Sri P. V. Suryanarayana Rao and Smt. H. V. Ramamani who were always behind this venture, which has proved to be of immense value.

I also thank my bother-in-law P. S. Venkatesh Prakash, his wife Ms. B. S. Vardhini and Chi. Sou. Aditi Kashyap for kind words and co-operation. Finally, I am ever greatful to my beloved father late Sri H. N. Anantha Ramaiah who wished to see the completion of the thesis and bless but in vain, and to my mother Smt. H. N. Savithri for everything. My “Sastanga namaskars” to them.

M. A. Ashok
