ACKNOWLEDGEMENT

The first person to thank is my supervisor, Dr. M.S. Khan, HoD & Dean, Faculty of Business Management for accepting to supervise my research work, for his excellent guidance and comments on my work, and above all, for being a lighthouse of motivation to me during the grueling years of research work.

I owe uncountable words of gratitude to Prof. Mansoor Ali (Retd. Prof. of IIT Roorkee Humanities and Social Science and Prof. Masi-Ur-Rehman, who have always stood behind me, showered me with words of motivation whenever I felt low and who has helped me in the thesis by making some articles available right at my desk. And he is the person who initiated me to the enthralling world of field-work. Without his emotional, motivational support and guidance, I would have never reached the place where I am today.

Prof. S.K. Pant of Govind Ballabh Pant Social Science, Allahabad needs to be thanked for his all-round support in my work. He supported me, and acted as a sounding board to my research despite his busy schedule. I would also like to thank Prof. B. Majumder and Dr. K.N. Bhatt of GBPSSI for its kind support.

I would like to thank Mohd. Shahid, Reader, Department of Political Science, University of Allahabad for his constructive comments on my research work and for making some papers and books available to me. He helped me right from the conceptualization of the work. He acted as a sounding board whenever I reached him with something to discuss.

I wish to express my heartiest gratitude to Mr. B.B. Mishra of GBPSSI-Library for his cooperation during the years of research. I am also
grateful to Mr. Anjesh Kumar, of GBPSSI, for kind guidance and for encouraging me in all my endeavors.

At last, but not the least, I would like to express my heartfelt gratitude towards my family members and my best friend Priyanka who always stood beside me and encouraged me. I am thankful to Mr. Madan Gopal Gupta and Sandip Kumar Jaiswal, G.B. Pant Social Science Institute, Allahabad for their help in research work. I express my gratitude towards my mother whose bedtime stories instilled within me a dauntless spirit to seek truth at all cost and to stand for it. My niece and nephews deserved to be thanked heartily as they have always believed in me and motivated me in their childish ways.
