ACKNOWLEDGEMENTS

My inexpressible sense of gratitude to my beloved teacher and guide Dr. K.A. Raveesha, Professor and Chairman, Department of Studies in Botany, University of Mysore, Manasagangotri, Mysore for his inspiration, valuable guidance, constant support and suggestions throughout the present investigations. I am indeed indebted to him.

My deep sense of appreciation to Dr. Anne Francis Miller, Professor and Head, Department of Chemistry, University of Kentucky, Lexington and Dr. K.M. Lokanatha Rai, Reader, Department of Studies in Chemistry, University of Mysore, Manasagangotri, Mysore for their valuable suggestions and support in the field of spectral analysis and arriving at the structure of the novel compound reported in the present investigations.

I am also thankful to Dr. S. Shankara Bhat, Professor and former Coordinator, and Dr. G.R. Shivamurthy, Professor and Coordinator, Microbiology section, Department of Studies in Botany, University of Mysore, Manasagangotri, Mysore for providing facilities and constantly encouraging me throughout the course of my research programme.

My sincere thanks to Late Dr. H.G.V.G. Urs for helping in identification of the plants.

My thanks are also due to Prof. T.C. Shivashankara Murthy, Prof. S.N. Ramaswamy, Prof. A.N. Sindhe, Prof. Shankar P. Hosmani, Dr. G.R. Janardhana, Mr. K.M. Jayaramaiah and all other faculty members of Department of Studies in Botany, University of Mysore, Manasagangotri, Mysore for their suggestions and encouragement.

My sincere thanks to Dr. S. Satish, Lecturer in Microbiology, who has helped me throughout this investigation. I am also thankful to the faculty members Dr. N. Lakshmidevi and Mr. M.Y. Sreenivasa, Microbiology section, Department of Studies in Botany, University of Mysore, Manasagangotri, Mysore.

Words will not suffice when I thank my research colleagues D.C. Mohana, V. Lalitha, B. Kiran, M. Sandesh and Mohammad Ahanjan, who were all the time there for me in times of sunshine and in times of shade. I wish to place on record my sincere thanks to Mr. Vijay Kumar, Mr. Mallikarjuna and Mr. Harish, Research Scholars, CFTRI, Mysore who have supported me during the course of my investigation.

My thanks are also due to Mr. Sachidananda, Mr. Rajesh, Research Scholars, Department of Studies in Biochemistry, Mr. K. Girish, Mr. M.N.
Nagendra Prasad, Mr. H.V. Girish, Mr. T. Ramesh, Mr. K.R. Sanjay, Mr. Lingegowda, Mr. K.K. Lakshmeesha, Mrs. Regina Sharmila Dass and other research colleagues in the Department of Studies in Botany, University of Mysore, Manasagangotri, Mysore.

My special thanks to Mr. A.B. Naresh, UGC-Teacher Fellow and Lecturer in Botany, Cauvery College, Gonikoppal who has helped me in photography and also provided valuable moral support throughout this study. I also thank Mr. G.S. Babu for compilation of photographs and Dr. Lancy D’ Souza for the statistical analysis.

My respectful thanks to my sister Mrs. M.P. Poornima and brother-in-law Mr. N. Ramachandra for their immense concern and lending a helping hand in all my endeavors. My thanks are also due to my uncle Dr. M.G. Shankara Setty and Mrs. Vanaja for supporting me in real times of need.

I am highly indebted to my aunt Mrs. Kamalamma and Late Annaiah Setty and my dearest brothers Mr. H.A. Venkatesh, Mr. H.A. Jagadeesh, Mr. H.V. Nagaraju, Late Mr. H.A. Mahesh and Mr. H.A. Raveesha. I would also like to thank Mr. M.S. Siddaraju, Gowramma and her family members, M.S.R. Dharshan, friends and relatives of my native (Maddur) who have acknowledged my decisions and have supported me throughout my career.

My profound thanks to my wife Mrs. M.V. Nirmala, my son Hemanth and my in-laws for consistent encouragement and support during the preparation of this thesis. My sincere thanks are also to my guide’s family members for their patience in allowing me to spend most of the time to complete this thesis.

I remember the great support extended by members of Sri Yoginarayana Baliya Hostel and friends for making my stay comfortable and memorable in Mysore. Any omission in this brief acknowledgement does not mean lack of gratitude. I am indeed grateful to one and all who have helped me throughout this research programme.

I would fail absolutely if I do not thank Jindall Trust and M.S. Ramaiah Charities Trusts, Bangalore for the financial assistance during my studies. Finally, I wish to express my sincere thanks to All India Council for Technical Education (AICTE) and Council for Scientific and Industrial Research (CSIR) for providing the financial assistance to conduct this investigation.
