ACKNOWLEDGMENTS

I wish to express my deep sense of gratitude and profound feeling of admiration to my thesis supervisor, Prof. Shalini.R.Urs, Department of Studies in Library and Information Science, University of Mysore, Mysore, for her able guidance throughout the course of this investigation. Her immense knowledge and constructive criticism have been most useful during my association with her.

I express my sincere thanks to Chairmen, National Centre for Science Information, Indian Institute of Science, Bangalore 560 012 for their moral support in carrying out this investigation. I also thank the Registrar, Indian Institute of Science, Bangalore 560 012 for permitting me to do this research work.

I profoundly thank Dr.Gopalan, Data Analyst, Chennai for his help in analyzing the data set using correspondence analysis.

I thank all those who helped me directly and indirectly in completing this research work.
