ACKNOWLEDGEMENT

I have great pleasure in expressing my deep sense of respect, sincere gratitude and whole hearted thanks to Dr. G. Subramanya, Professor of Sericulture and Chairman, Department of Studies in Sericultural Science, University of Mysore, Manasagangotri, Mysore, for his superrogated guidance, valuable suggestions, constructive criticism, inspiring encouragement, interest and above all the moral support and love he showed on me throughout this study and while writing thesis.

My sincere thanks are due to Dr. B. Sannappa, Lecturer, Department of Studies in Sericultural Science, University of Mysore, Manasagangotri, Mysore for his help while preparing the thesis and encouragement.

I am thankful to Prof. Y. Srinivasa Reddy (Rtd.), Dr. D. Manjunath and Dr. Basavaiah, Dr. T.S. Jagadeesh Kumar, Dr. R.S. Umakanth and Mr. M.N. Anil Kumar Lecturers, Department of Studies in Sericultural Science, Dr. Rohith L. Shankar, Lecturer, Yuvaraja’s College and Dr. L. Nanjundaswamy, Lecturer, Academic Staff College, University of Mysore, Manasagangotri, Mysore for their encouragement and support.

I thank my research colleagues Dr. Y.V. Raghuveer, Mr. R. Ananth, Mr. M.S. Doddaswamy, Mr. K.T. Chandrashekara and Mr. M.V. Govindaraju, for the affection with which they have extended their help and co-operation.

I thank Mrs. D. Jamuna, Mrs. Rukmini Bai, Mr. C. Ramegowda, Mr. Nagendraradhya, and Mr. S. Nagaraju, Technical Staff, all the Skilled Assistants and Gardeners of the department for their help during silkworm rearing.
I thank Dr. S.N. Hegde, Dr. V.A. Vijayan and Dr. Shivabasavaiah, Professors, Department of Studies in Zoology, University of Mysore, Mysore for their help and moral support.

I thank Dr. Q. Thippeswamy and Mr. Shiva Kumar, Department of Studies in Biotechnology, University of Mysore, Mysore for their help and support.

My special thanks to Dr. H. Balakrishnaiah, Director and Dr. Lakshmikanth, Co-ordinator, KSRSAC, Department of IT, BT, S&T, Government of Karnataka for their help and support.

I thank Dr. Hiriyanna, Mr. Muni Krishnappa, and Mr. Kumaresan, Scientific Officers, CSRTI, Mysore for their help and encouragement and support.

I also thank Dr. P.J. Raju, Senior Scientific Officer and Dr. D. Guruswamy, Scientific Officer, KSSRDI, Bangalore for their help and support and encouragement.

I owe my special thanks to Mr. A.K. Palith, Statistical Scientific Officer, Silkworm Breeding Laboratory, CSRTI, Mysore for their help and analyzing the data.

I greatly acknowledge the financial assistance through fellowship from SC/ST cell University of Mysore, Mysore during my research work. I wish to thank the University of Mysore, Mysore for extending all the facilities.

I am deeply indebted for all my friends, relatives and others, those who continuously encouraged directly or indirectly to enable to me to carryout this work successfully.

(N. MURTHY)
