ACKNOWLEDGEMENT

I express my deep sense of gratitude to my teacher and Guide Dr. U.A. Vijayan, Ph.D., Reader, Department of Studies in Zoology, University of Mysore, Manasagangotri, Mysore for suggesting this problem, incessant and impeccable guidance, and also for his ineffable encouragement and help throughout the period of this study.

I am extremely indebted to the successive Chairpersons of the Department of Studies in Zoology, University of Mysore, Prof. L. Siddaveregowda, Prof. S.R. Kanakaraj, Prof. H.A. Ranganath, Prof. N.H. Sopal Dutt and Prof. Prakash R. Naik for their encouragement and for providing facilities throughout the period of my work.

I am extremely grateful to Dr. S.N. Hedge, Ph.D. Professor, department of studies in Zoology, University of Mysore, Mysore for his timely help and valuable suggestions.

I am highly thankful to the Director Defence Research Development Establishment (DRDE), Swalahir for providing the kit for conducting resistance test.

I am grateful to Dr. Vishnu Hebbar and Dr. G. Raju, Readers, Department of Studies in Statistics, University of Mysore, Mysore, for helping me in the statistical analysis.

I am highly thankful to Mr. George Jacob, Officer in charge and the staff of National Institute of Virology (ICMR) field unit at Mysore for their help in the identification of species and for extending all the help in the field work.

I wish to thank all the teaching and non-teaching staff of the Department of Studies in Zoology, Manasagangotri, Mysore who have helped me directly or indirectly throughout the period of my studies.
My grateful thanks are also due to Mrs. A.K. Preetha Vijayan, for going through the manuscript and providing suggestions.

I wish to express my sincere thanks to my friends and colleagues Dr. K. Ningegowda, Dr. M.A. Revanna, Mr. K.S. Vasudeva, Mr. S.R. Srinivas, Ms R. Rakshana, Ms. J. Urmila, Mr. A.K. Sanesh, Mrs. S. Krishnaveni, Dr. Subramanya Karanth, Ms. M.T. Thanuja, Mr. Shivanna and others who have helped me during the tenure of my study. My sincere thanks are also due to the staff of Scholars Point for type setting, computer DTP processing of the thesis in a neat manner and to Mr. S.I. Siri C.I.T.I., Mysore, for the Photography.

I am highly indebted to my beloved mother C. Puttachannamma and father K. Ningegowda, for their great moral support that enabled me to continue my higher studies without which it would not have been possible for me to do the work.

I wish to place on record the indebtedness to my brothers and sister for their constant encouragement. I am highly thankful to my younger brother K. Alhmananda who accompanied and helped me during field collections.

I wish to acknowledge my thanks to my grandparents, Mother-in-law, brothers-in-law, sisters-in-law, all my relatives and family friends for their continuous encouragement.

I am grateful to my husband, Mr. H.K. Rudrappa, without whose encouragement and support, my Ph.D. work would not have been possible and also I wish to remember my loving daughter H.K. Ninaada for adjusting my absence at home.

(N. PUSHPALATHA)
