With gratitude I acknowledged the help I have received during the course of this study from my guide and mentor Prof. V.K. NATRAJ, Director, Institute of Development Studies, University of Mysore, Mysore.

My deep sense of gratitude should also go to Sri B.V. JEEVAJI for his invaluable help rendered to me in my research work.

I am deeply indebted to Dr. MOULANEJAD, Educational Attache, at the Embassy of I.R. of Iran, New Delhi, for his continued moral support and encouragement to me in carrying out this research work. Similarly I thank Mr. K. FARHADI, Vice Consul and Incharge of Students Welfare for facilitating not only my visit to Iran for collection of data but also my stay in India.

Special thanks to Mr. AHMAD TABESH, Chief Librarian of P.B.O., Tehran for all the help extended. Similarly I am thankful to the staff of Mysore University Library for providing me the necessary material and also the staff of Intitute of Development Studies for their help.

Words are inadequate to express my gratitude to my mother who was a constant source of inspiration in my life.

I owe a great debt of gratitude to my brothers and sisters and other family friends who have always wished me success in my venture.
Last but not least, I must express my profound appreciation to my wife Mojgan Motaghed and my daughter Panthea, who not only had to relinquish countless hours of my time that rightfully belong to them, but who also were helpful to me in almost all stages of this research.
