ACKNOWLEDGEMENTS

I would first like to indebted my supervisor—Dr. Vakulabharanam Vijaya Kumar for his help, advice, support, and encouragement over the years. It is he who did a thorough proof reading and spent countless hours in improving the clarity and presentation of the thesis as well as my academic papers. I learnt many moral standards and beliefs, in matters relating to academic as well as non-academic, from Vijaya Kumar.

I would like to express my deep sense of gratitude to Dr. D. Swaminadhan, President, MGNIRSA, Hyderabad., for his kind concern, unstinted help, especially his constant encouragement, without which this gigantic thesis work might not have reached to the present final shape. I would like to thank Dr. Anjanappa and D. Suresh for their support and motivation to complete this thesis.

I have great pleasure in expressing my heartful gratitude to the authorities of University of Mysore – especially Dr. J. Shashidhara Prasad, Vice Chancellor, University of Mysore., Dr. G.R. Shivamurthy, Dean., Dr. Hemanth Kumar, Board of Studies Chairman., and Dr. P. Nagabhushan, for their help, valuable discussions and suggestions.

I have great pleasure in expressing my gratitude to Dr. M. Santhi Ramudu, Chairman, Rajeev Gandhi Memorial College of Engineering and Technology (RGM CET), for his help in providing facilities and working environment with my guide, Dr. V. Vijaya Kumar, Professor and Head Department of CSE, RGM CET, to complete this gigantic thesis work. I would like to thank principal and staff members of Department of Computer Science and Engineering of RGM CET for their constant support and encouragement.
I would like to thank all of my friends, R. Srikanth, P. Amar Chand, Sudhakar Reddy, USN Raju, K. Ravi, colleagues and especially Dr. G.V.S. Ananta Lakshmi, who motivated and simulated me to pursue a higher level in my study. I would like to thank K. Radhakrishna Murthy, Retd. English Lecturer, Jawahar Bharathi Degree College, who has reviewed the entire thesis work by sparing his valuable time.

I would like to express my thanks and appreciations to my parents sisters and brothers-in-law. They gave me constant encouragement and selfless support, without which I would never have been able to accomplish this work. Here, I would like to share all my achievements with them, especially, my life partner, A. Krishna Keerthi, for her devoted love, support and encouragement.

At last I am very grateful to many anonymous reviewers of this thesis work. I thank to all others who helped me directly or indirectly to get the final shape of this thesis work.
