List of Publications

1. Hydrophobicity dependent oxidation of tetrapeptide sequences of elastin with quinolinium dichromate - syntheses, kinetics and mechanistic study.
   L.P.Ravi Kumar, D.Channe Gowda*
   (To be communicated)

   L. P. Ravi Kumar, D.Channe Gowda*
   (Manuscript under preparation)

3. Oxidation of pentapeptide and its polymer by quinolinium dichromate in aqueous perchloric acid medium: Syntheses, kinetics and mechanistic study.
   L. P. Ravi Kumar, D.Channe Gowda*
   (Manuscript under preparation)
Papers presented at the conference

1. Oxidation of tetrapeptide of elastin sequences with QDC-A Kinetic study National conference on Chemical Sciences for industry & society, held at Department of Studies in Chemistry, Kuvempu University, Shankaraghatta - 577451, (Shimoga Dist.) Karnataka, from 6th to 8th January 2006.
