ACKNOWLEDGEMENTS

It is a pleasure to express my deep sense of gratitude to Dr. V.D. Madgal, M.Sc. (Ag.), Ph.D., Research Officer (Animal Nutrition) for his counsel and unstinted guidance without which the implementation of the plan and conduct of the studies would have not been possible.

I am greatly indebted to Dr. P.G. Nair, former Dairy Husbandry Officer and Mr. D.S. Bhatnagar, Research Officer (Animal Breeding) for providing liberal cooperation and materials required for these studies. Thanks are also due to Dr. N.N. Dastur, former Director, National Dairy Research Institute and Dr. D. Sundaresan, Director, National Dairy Research Institute, Karnal, for the interest shown in these investigations.

I am particularly thankful to Dr. H.K.B. Parekh, Associate Professor, Animal Husbandry, J.N. Krishi Vishwa Vidyalaya, Jabalpur, for his advice in statistical analysis of the data.

The whole-hearted cooperation of several of my colleagues, officers, attendants and labourers of the Dairy Husbandry Division during these investigations is greatly acknowledged.
I am also thankful to the Indian Council of Agricultural Research, New Delhi, for awarding Senior Research Fellowship and Jawaharlal Nehru Krishi Vishwa Vidyalaya, Jabalpur for granting leave without which the studies would not have been undertaken.

Last, but by no means least, I want to thank my wife for her patience and understanding during the course of these studies.
