ACKNOWLEDGEMENTS

The author wishes to express his sincere thanks and deep sense of gratitude to Dr. V.D. Mudgal, M.Sc., Ph.D., Professor of Animal Nutrition, National Dairy Research Institute, Karnal, for his able and unstinted guidance, and above all the constant encouragement, inspiration, keen interest and constructive criticism, without which the implementation of the plan and successful completion of the present investigation, would have not been possible.

Thanks are also due to:

Dr. S.P. Arora, M.Sc., Ph.D., Professor and Head, Dairy Cattle Nutrition and Physiology Division, for evincing keen interest in the present studies and providing necessary materials during the tenure of this investigation.

Dr. D. Sundaresan, Director, National Dairy Research Institute, Karnal and Dr. P.G. Nair, formerly Principal, Dairy Science College of this Institute and presently Dean, Faculty of Veterinary and Animal Sciences, Kerala Agricultural University, Mannuthy, Trichur (Kerala), for having provided the overall facilities throughout the course of this investigation.

Special thanks are due to Dr. Dalbir Singh Dev, Professor and Head, Department of Animal Science; and the Director of Research, Punjab Agricultural University, Ludhiana, for granting the leave, which enabled the author to prosecute higher studies at this Institute.

The various staff members and the Ph.D. students, especially Dr. M.K. Jain (Associate Professor), Dr. V.K. Taneja (Research Officer), Dr. D.D. Sharma (Junior Nutritionist), Dr. R.S. Ludri (Asstt. Professor), and Shri C.K. Kurar, K.K. Singhal, L.S. Aggarwal, Nawab Singh, V. Leela Prasad and K.V.N. Rao, for their useful suggestions and healthy co-operation.

Shri K.N.S. Sharma (Statistician) and Shri D.K. Jain and S.B. Aggarwal, for their advice on the design of the experiments and the statistical analysis of the data.

Shri Karan Singh, Laboratory Assistant for his assistance in the procurement of chemicals and apparatus needed for the study.
Mrs. Durga Khurana and Shri Gita Ram and Ram Saroop for their help in the laboratory maintenance and in the management of experimental animals.

Shri O.S. Tomer, Asstt. Research Officer (D.H.) and Shri G.D. Singh, Research Officer (Fodders), for their help in the selection of animals and for providing the necessary space and fodder for the experimental animals; and Shri K.G. Devgun for the construction and repairs needed during the study period.

All India Cotton Seed Crushers' Association, Khetan Bhawan, Tata Road, Bombay, for supplying the major ingredients of the various feed formulations.

Indian Council of Agricultural Research for awarding the Senior Research Fellowship during the course of this investigation.

Finally, the author wishes to express his feelings to his elder brother, Shri Vijay Kumar, who very affectionately came forward to support the author's family, financially as well as morally, and who being an artist, also prepared the beautiful graphs for this manuscript; and loving affection to his better-half (Veena) and children (Poonam, Bablu and Neetu) for their forbearance of being away for a period of about 2 years.

Dated: June, 1976

(VIRENDER KUMAR)
