ACKNOWLEDGEMENT

With all sincerity and regard, I record my deep indebtedness to Dr. K. Yeshodhara, Professor Department of Studies in Education, University of Mysore, Manasagangothri Mysore-6 for having kindly guided and supervised my research work. She took immense pains in reading several drafts of my thesis and therein improving the quality of the thesis. But for her continuous guidance, supervision, expertise, concern and persistent inspiration and encouragement, this thesis would not have been completed successfully.

I am thankful to the chairperson Dr. Y. N. Sridhar and Dean Faculty Dr. G. H. Parvathamma Department of Studies in Education University of Mysore Mysore for their encouragement to me.

I wish to place as record my sincere thanks to Dr. N. N. Prabhallada Reader Regional Institute of Education NCERT, Mysore and H. N. Vishwanatha Lecturer Sharada Vilas Teachers college, Mysore.

I also take this opportunity to thank all the staff members (both teaching and non-teaching) Department of Education Manasagangothri Mysore for their kind co-operation throughout my endeavor.
I thank to Dr. Lancy D’souza Lecturer, Maharaja College Mysore for his statistical work on data analysis.

I would be ingratitude on my part if the help and motivation of my husband Dr. M.P. Dharmesh is not acknowledge with heartfelt thank to him.

I am grateful to all the heads teachers and pre-service teachers of D.Ed college selected for the study of their co-operation during the conduct of the research.

My heartfelt thanks to my child Divyanshi, father Madaiah .M, mother Smt. Mallinanjamma, and father-in-law M.R. Parthasarathy, mother-in-law Smt. Nagarathamma and brothers, sisters for their constant encouragement and support throughout my carrier which has given me a source of inspiration.

I also express my sincere thanks to Madhu Computers for neat typing of the thesis.

My thanks are to those who helped me directly or indirectly in carrying out and finishing this work successfully.

M. Latha
