ACKNOWLEDGEMENT

I acknowledge with pleasure and gratitude the guidance, support and encouragement given to me by my guide Dr. D.A. Bhiwagade, Reader in Endocrinology, Institute of Science, without whom my work would have been incomplete.

I sincerely thank Prof. S.A. Suryawanshi, Head, Department of Zoology and Director, Institute of Science for all the help rendered in the course of this study.

I sincerely thank Prof. A.P. Sathe of the Physics Department, Institute of Science, for letting me make use of the computer.

I also thank Dr. Shirodkar, his research students, Dr. Salvi and Mr. A.D. Fuljarni for their help rendered.

My special thanks to Dr. Arun Chitale, Mr. Dilip Tanaskar and Mr. Vashu Kate of Jaslok Hospital and Mr. Gopinath Sawant of the Institute of Science for furnishing excellent photographic illustrations and other valuable technical assistance which is so necessary to present a thesis of this nature.

I am also thankful to Mr. B.S. Ghorivde, Dr. A.P. mane Kar Sashi, Hema, Yasmina, Nilima, Prakash, Venkat, Anuradha, Vendetta, Manisha, Raut, Rajendra, Gurunath, Raman, Rajashree, Sundermurti and Sopan.

My special thanks to Falguni Jhaveri, Leena Rohatgi, Arun Iothari, Anubhuti Singh, Indu Nair, Kersi Avari and Vrunda Joshi.
