ACKNOWLEDGEMENTS

I feel deeply indebted to Dr. R. Nagarcenkar, Head, Division of Dairy Cattle Genetics, National Dairy Research Institute, Karnal, for his kind help, constant encouragement and continuous guidance throughout the study.

I am highly grateful to Mr. K. N. S. Sharma, Statistician, N. D. R. I., Karnal for his help and advice at every stage of the study. I am thankful to Mr. P. K. Jain, Programmer, IARS, New Delhi, for his help in the computer programming of the data.

My thanks are due to Dr. O. Sundaresan, Director and Dr. P. C. Nair, former Principal of Dairy Science College, N. D. R. I., Karnal, for their keen interest in the work.

I am thankful to the authorities of military and civil farms, especially Brig. R. C. Datta, Director of Military Farms, for their kind permission for obtaining the data and the officers and the staff of the farms for their cooperation in the collection of the data.

I feel highly obliged to all my friends and colleagues for their help and encouragement during the period of the study. I am especially thankful to Mr. M. K. Rao for his objective suggestions throughout the study.

I am all admiration for my beloved wife Ratna Kumari for her overwhelming affection and exemplary forbearance during the period of the study.

I am thankful to the Indian Council of Agricultural Research for providing me financial assistance for the study by awarding Senior Fellowship in Animal Breeding.
