ACKNOWLEDGEMENT

I express my deep sense of gratitude to my Research Supervisor Dr. B P Mahesh Chandra Guru, Professor, Department of Studies in Communication and Journalism, University of Mysore for his benevolent guidance, stimulating encouragement, candid suggestions and critical perusal of the dissertation. I place my gratitude and appreciation on record whole heartedly.

I wish to place on record my sincere thanks to Professor J. Shashidhar Prasad, Vice-Chancellor, University of Mysore for providing me an opportunity to do Doctoral Research in the University of Mysore.

My special thanks to Dr. Taranikant Sriram, IAS, Registrar and Director (Administration), National Institute of Rural Development, Hyderabad, for his kind encouragement and support.

I owe my thanks to Dr. Lancy D'Souza, Selection Grade Lecturer in Psychology, Maharajas College, University of Mysore for having initiated me into quantitative studies and extended diligent assistance at the stage of statistical analysis.

I place my sincere thanks to Prof. N. Usha Rani, Dr. Niranjan Vanali, Dr. K J Joseph, Dr. C K Puttaswamy and Ms. Swapna, faculty members, Department of Studies in Communication and Journalism, University of Mysore for their encouragement.

I express my gratitude to Dr. Satish Chandra Associate Professor (NIRD), Dr. P K Das Senior Asst. Professor (NIRD) and Dr. Thambiraju, Asst. Professor, Acharya N G Ranga Agricultural University, Hyderabad for their moral and material support at various stages of my professional growth and research endeavour.

I owe my special thanks to Dr. C Hemavathi M C Guru, Selection Grade Lecturer in Botany, Government College, Mandya for her inspiration, support and encouragement through out the research programme.
I express my gratitude to Mr. M. S. Vaidhyanathan, Senior Asst., Dr. B.R. Ambedkar Research and Extension Center, University of Mysore, Ms. Ramya Bhaskar, Research Scholar in Human Development, Department of Studies in Food Science and Nutrition, University of Mysore and Mrs. Jayashree, Computer Center, NIRD, Hyderabad for providing moral and technical support toward making the dissertation to its present form.

I also thank all the 210 respondents who have provided useful information and co-operation toward collecting primary data from various research, training and developmental institutions of Ranga Reddy District, Andhra Pradesh.

My special thanks to Prasanna Enterprises, Mysore for their timely help in designing and printing of this thesis.

Finally, I express my special thanks and indebtedness to my beloved wife Mrs. Minakshi Dange and affectionate daughters Ms. Sonali Dange and Ms. Priyanka Dange who are the driving force of my life.

Damodar Jalandhar Dange
