Chapter 1
INTRODUCTION

Chapter 2
PATTERN, DISTRIBUTION AND CAUSALITY

Precolonial Period
Colonial Period
Devastating Earthquakes of North East India during Colonial period
Cachar earthquake (1869)
Modified Mercalli Intensity Scale of 1931
The great Shillong earthquake (1897)
Magnitude Scale of Charles F Richter
Srimangal earthquake of 1918
Dhubri earthquake of 1930
Devastating earthquake of Post-colonial period
The great Assam earthquake
Causality

Chapter 3
IMPACT OF EARTHQUAKES ON GEOGRAPHY

Topography
Landslips, sinking and loss of vegetation
Map showing landslides 70
Water bodies: rivers, streams, *khals*, *bils*, etc. 72
Impact on eco-system 92
Obvious projection 96

Chapter 4

IMPACT OF EARTHQUAKES ON SOCIETY

Pre-colonial period 100
Colonial period 105
Loss of lives 105
Cachar earthquake (1869) 105
Great Shillong earthquake (1897) 106
Srimangal earthquake (1918) 111
Dhubri earthquake (1930) 112
Monolith: symbol of tradition and culture 112
Post-colonial period 114
Loss of lives during post-colonial period 115
Assam earthquake (1950) 115
Migration 116
Public health 118

Chapter 5

IMPACT OF EARTHQUAKES ON ECONOMY

Loss of property during colonial period 126
Cachar earthquake (1869) 127
Great Shillong earthquake (1897) 134
Srimangal earthquake (1918) 149
Dhubri earthquake (1930) 152
Loss of property during post-colonial period 157
Great Assam earthquake 157
Communication 160
Agriculture 172
Tea industries 186
Economy 188

Chapter 6

IMPACT ON CULTURE 192

Tradition and culture 193
Myths/folklores 193
Transformation in pre-colonial times 202
Transformation during colonial times 205
Analysis 208
Chapter 7

ROLE OF STATE & NON-STATE ORGANISATIONS

The Ahom state
Colonial state
Report by the administrators
Relief/rescue by the state
Japanese expert’s visit
Impact on construction and design
Instrumental recording
Post-colonial state
Paramilitary support under Independent India
Non-state organisations
Christian Mission
Brahmo Mission

Chapter 8

CONCLUSIONS

BIBLIOGRAPHY

ANNEXURES

Annexure I A
(List of earthquakes in Northeast India since Ahom period)
Annexure I B
(Seismicity data of North East India Region and vicinity, 1897-1962)
Annexure II
(List of large earthquakes)
Annexure III
(Loss incurred by the state due to 1897 earthquake)
