ACKNOWLEDGEMENT

I take this opportunity to express my indebtedness to Dr.R.Shanmugasundaram, Ph.D. Professor of Psychology, my supervisor and guide for the constant, unfailing intellectual support, he gave at every stage of this work. I am thankful for his constant guidance and critical evaluation at every stage of the present study.

I acknowledge my gratitude to Dr.V.S.R.Vijaykumar, Ph.D., Lecturer in Psychology for his valuable advice in statistics. Dr.Kalyani Biswas, Field Officer, FPAI and Mr.Narayanan, Technical Assistant, Ramanujam Institute of Advanced Mathematics for their help in statistical analysis of the data.

I owe my gratitude to Dr.K.Kuruvilla, Professor & Head, Department of Psychiatry, Mental Health Centre, CMC & H

With heartfelt gratitude, I wish to thank Dr.Jacob K.John, Professor of Psychiatry, Mental Health Centre, Vellore for his extra familiar social support. I am grateful to Dr.Cyriac Mathew, DPM, Psychiatrist, for his encouragement and enrichment of this study. Thanks are due to Ms.Aruna Richard, M.Phi for her continuous help and other staff members of Nambikkai Nilayam, and Mrs.K.A.Madhavi, Librarian, MHC.
The emotional and cognitive support of my friends Dr. A. Velayudham, Dr. Sudhakar and other Ph.D. Research Scholars of Psychology Department of Madras University, who made this study seem so easy. I owe my gratitude to the parents and patients of Nambikkai Nilayam who took part in the study. I acknowledge my gratitude to Mr. T. Mohan for his continuous encouragement, emotional and social support.

My sincere thanks are due to the staff at Students Xerox, Ambal Buildings for their ready help and prompt attention.

Last but not the least, I thank my family, especially my parents for all their help, support and prayers.

R.K. Saseekala
