Acknowledgements

It is a matter of immense pleasure to express my cordial thanks and gratitude to my Ph.D. supervisor Dr. Devajyoti Biswas, Professor and Head, Department of Mathematics, Assam University, Silchar for his generous guidance throughout the tenure of the Ph.D. work.

It is a matter of great pleasure to record my deep sense of indebtedness to my teacher Dr. Dilip Kumar Nath, Ex-Head, Department of Mathematics, Srikisan Sarda College, Hailakandi for inspiring to carry out the research work.

I express my heartfelt gratitude to Dr. Sudip Choudhury, Lecturer, Department of Chemistry, Gurucharan College, Silchar for his encouragement, co-operation and invaluable suggestions. I am grateful to him for extending his helping hand in many ways throughout the tenure of my Ph.D. work.

It is my proud privilege to thank Dr. Anjan Chakraborty, Assistant Professor Department of Mathematics, Indian Institute of Technology, Guwahati and Dr. Nabendu Sen, Assistant Professor, Department of Mathematics, Assam University, Silchar for their invaluable suggestions and encouragement during the entire course of the work.

I take the pleasure in thanking Mr. Pinak Pani Nath Choudhury, Department of Zoology, Srikisan Sarda College, Hailakandi and Mr. Avijit Debnath, Assistant Professor, Department of Economics, Assam University, Silchar for their helpful suggestions.

I am thankful to teachers, non-teaching staff, research scholars and students of Department of Mathematics, Assam University, Silchar, for their kind co-operation.

I would like to express my sincere thanks to all the teaching and non-teaching staff and students as well of Srikasan Sarda College, Hailakandi for their moral support.
I will be failing in my duty if I do not acknowledge the love, affection, inspiration and encouragement provided by my parents and other family members for carrying out the present work unless which it would have not been a reality.
