## CONTENTS

**CHAPTER - I**

Emergence of the Study 1-22

1.1.0. Introduction 1-2

1.2.0. Education For All : A Social Imperative 3

1.3.0. Education and Constitutional Assurance 4-6

1.4.0. Tribal Education 6-18

1.4.1. Tribal Education : The Present Scenario 6-9

1.4.2. Tribal Education: Recommendations of various Committees, Commissions, Study Teams and Working groups 9-13

1.4.3. Tribal Education – The Problem 13-15

1.4.4. Tribal Education : The Research Trend 15-18

1.5.0. Research Questions 18

1.6.0. Title of the Study 18

1.7.0. Aim of the Study 19

1.8.0. Objectives of the Study 19

1.9.0. Setting of the Study 19-20

1.10.0. Scope and Delimitation of the Study 20

References 20-22

**CHAPTER - II**

Theoretical Framework of the Study 23-66

2.1.0. The Retrospective analysis of Tribal Research 23-24

2.2.0. The present approach 24

2.3.0. Emergence of the Anthropological approach in Educational Research 24-26

2.4.0. Rational of the Anthropological approach for Educational Research 26-27

2.5.0. The Approach Model 28

2.6.0. Illustration of the Concepts 29-39

2.7.0. Ethnographic description of the tribal communities 39-62

2.7.1. Ethnographic Description of the tribal communities from Assam 39-49

2.7.2. Ethnographic Description of the tribal communities from West Bengal 49-62

References 62-66

**CHAPTER - III**

Review of Research Literature 67-124

3.1.0. Introduction 67

3.2.0. Brief review of Research Literature related to tribal education 67-70
3.2.1. Studies on school-aspects including extent of facilities in terms of schools, curriculum, medium of instruction, teachers, pedagogy and stagnation 70-74

3.2.2. Studies examining the educability of children in relation to socio-cultural and economic background of tribals. 75-76

3.2.3. Studies on Planning and management of Tribal education 77

3.2.4. Evaluative studies on Incentives, Hostel and Ashram Schools 77-78

3.2.5. Studies on cognitive and non-cognitive abilities of the tribal children. 78-80

3.3.0 Detailed review of related research studies carried out in India 80-100

3.4.0. Review of Research Programmes carried out abroad 106-108

3.5.0 Conclusion 108-110

References 110-124

CHAPTER - IV
Methodology of the Study 125-167

4.1.0. Introduction 125-127

4.1.1. Data and its nature 125

4.1.2. Methodological Diagram of the Study 126

4.2.0. Data and its sources 127-131

4.2.1 Exploration of the Field 127

4.2.2. Exploration of the Document 127-128

4.2.3. Consultation with the Experts 128-129

4.2.3.1. Brief Classification of the Experts 129

4.2.4. Consultation with the Indigenous Community Groups 130-131

4.2.5. Administration of different data gathering tools and techniques over the Tribal Teachers 131

4.2.6. A brief Classification of the Sources of Data 131

4.3.0. The target population 132

4.4.0. Sampling Technique 132

4.5.0. From the Universe to the sample 132-136

4.5.1. The Sample from Assam 133

4.5.2. The Geographical field (Assam) 134

4.5.3. The Sample from West Bengal 135

4.5.4. The Geographical field (West Bengal) 136

4.6.0. The Schedule Tribe Communities 137

4.7.0. Factors & Variables 137-138

4.7.1. Factors 137

4.7.2. Variables 137-138

4.7.2.1. Independent Variables 137-138

4.7.2.2. Dependent Variables 138

4.8.0. Operational Definitions of the Key terms 138-143

4.8.1. Status Profile 138-139
4.8.2. Tribal Teachers
4.8.3. Creativity
4.8.4. Originality
4.8.5. Flexibility
4.8.6. Fluency
4.8.7. Interest
4.8.8. Attitude
4.8.9. Secondary Schools
4.9.0. Techniques & Tools used for the study
4.9.1. The Techniques
4.9.1.1. Situational Interview Technique (For the experts)
4.9.1.2. Participatory Observation Cum discussion technique (For the indigenous Community Groups)
4.9.2. The Tools
4.9.2.1. The Status Questionnaire (For the tribal teachers)
4.9.2.1.1. Purpose of the Status Questionnaire
4.9.2.1.2. Rational for designing a Status Questionnaire
4.9.2.1.3. Construction Procedure
4.9.2.1.3.1. Identification of the Components
4.9.2.1.3.2. Pilot Study
4.9.2.1.3.3. Reliability and Objectivity of the Status Questionnaire
4.9.2.1.3.4. Validity of the Status Questionnaire
4.9.2.1.3.5. Standardization of the Status Questionnaire
4.9.2.1.4. Analysis of Data obtained through the Status Questionnaire
4.9.2.2. Attitude Scale (For the tribal teachers)
4.9.2.2.1. Purpose of the Attitude scale
4.9.2.2.2. Rational for designing an attitude scale
4.9.2.2.3. Construction procedure
4.9.2.2.3.1. Identification of the dimensions
4.9.2.2.3.2. Arrangement of the items in the final scale
4.9.2.2.3.3. Reliability of the Attitude scale
4.9.2.2.3.4. Objectivity of the Attitude scale
4.9.2.2.3.5. Validity of the Attitude scale
4.9.2.2.3.6. Standardization of the Attitude scale
4.9.2.2.4. Analysis of data obtained through the Attitude Scale
4.9.2.3. Problem Checklist (For the tribal teachers)
4.9.2.3.1. Purpose of the problem checklist
4.9.2.3.2. Construction Procedure
4.9.2.3.2.1. Format of the problem checklist
4.9.2.3.2.2. Arrangement of the items in the problem checklist
4.9.2.3.2.3. Objectivity of the problem checklist
4.9.2.3.2.4. Reliability of the problem checklist
4.9.2.3.2.5. Validity of the problem checklist
4.9.2.3.2.6. Standardization of the problem checklist 161
4.9.2.3.3. Analysis of data obtained through the problem checklist 162
4.9.2.4. Torrence Test of Creative Thinking (TTCT)
   (For the tribal teachers) 162-165
   4.9.2.4.1. Introduction of Torrence Test of Creative Thinking 162
   4.9.2.4.2. Considerations for selecting T.T.C.T. for the present study 163
   4.9.2.4.3. T.T.C.T. (Verbal Form-A) - Activities 163
   4.9.2.4.3.1. Asking questions about the drawing 163
   4.9.2.4.3.2. Making Guesses about the drawing 164
   4.9.2.4.3.3. Making Guesses about the possible consequences of the events 164
   4.9.2.4.3.4. Product Improvement activities 164
   4.9.2.4.3.5. Unusual uses activities 164
   4.9.2.4.3.6. Unusual question activities 164
   4.9.2.4.3.7. Just suppose activities 164
   4.9.2.4.4. Scoring of T.T.C.T. 164
   4.9.2.4.5. Translation of T.T.C.T. 165
4.9.3. Conclusion 165

CHAPTER - V
Analysis and Interpretation of data 168-440
5.1.0. Analysis and Interpretation of data related to the Socio-economic, educational and professional status of the tribal teachers 168-279
5.2.0. Analysis and Interpretation of data collected through the Attitude scale and Creativity test (Torrence Test of Creative Thinking) 280-395
5.3.0. Analysis & Interpretation of data collected through the Problem Check List 396-440
5.4.0. Conclusion 440

CHAPTER - VI
Major Findings 441-484
6.2.0. Aspiration for professional education and constraints of education 455-457
6.3.0. Professional relationship with the colleagues 457-458
6.4.0. Role of Government 458
6.5.0. Psychographic status 458-472
6.5.1. Attitude of the tribal teachers towards their profession, students, colleagues, Government, society and working environment 458-466
6.5.2. Creativity 466-472
6.6.0. Status of the respondents within their own community 473-474
6.7.0. Problems faced by the tribal teachers in their professional environment 474-480
6.8.0. Post script 480-484

BIBLIOGRAPHY 485-501

LIST OF DIAGRAMS AND ILLUSTRATIONS
1. Projected Literacy percentage of the Tribal and other Communities 5
2. The approach model 28
3. The Structure of Intellect model 33
4. Methodological diagram of the study 126
5. A diagramatic classification of the sources of data 131
6. The geographical field at a glance showing tribal population density in India 133 (a)
7. The geographical field 131
8. The geographical field 136
9. Diagramatic sketch of status profile 139
10. Diagramatic sketch of formation of Attitude 142

LIST OF TABLES
1. Literacy rates among general, scheduled caste and scheduled tribe men, women and total population in India 4
2. Literacy rates among general, scheduled caste and scheduled tribe population in India 4
3. Gross Enrolment Ratio 7
4. Relative Enrolment Ratios of Girl's per 100 boys of Tribals and non Tribals 8
5. Dropout rates of the students from Tribal and other Communities 9
6. Classification of the experts 129
7. The sample from Assam 133
8. The sample from West Bengal 135
9. The scoring key for Attitude Scale 150
10. Dimension-wise distribution of the items in the attitude scale 154
11. Score distribution of the halves of the attitude Scale 153-155
12. Reliability Coefficients of the various dimensions in the Attitude Scale 156
13. The format of the problem checklist 160
14. Sex-wise distribution of the tribal teachers 170
15. Literacy percentage of schedule tribes 170
16. Marital status of teachers 171
17. Location of Schools 173
18. Teachers working in different types of schools 174
19. Teachers working in different levels of schools 176
20. Teachers working in different types of schools (control-wise) 177
21. Experience of the respondents 180
22. Choice of the respondents towards other profession
23. Persuasion of other occupation, apart from teaching
24. Respondent's agreement to shift to some other profession
25. Place from where the respondents mostly pursued education
26. Trained verses Non-trained
27. Trained respondent's response towards certain issues related to training
28. Non-trained respondent's response towards certain issues related to training
29. Level of education
30. Academic performance
31. Constraints of education: Distance from School
32. Location of institutions: During studenthood
33. Medium of Instruction during student hood
34. Present religion
35. Ascribed religion
36. Reasons of conversion of Religion
37. Nature of family
38. Family size
39. Number of Siblings
40. Type of house
41. Number of rooms in the house
42. Location of home
43. Economic situation
44. Monthly Income
45. Monthly family income
46. Personal savings
47. Political participation
48. Respondents belong to political parties
49. Level of membership
50. Reaction towards politics
51. Upbringing of the respondents
52. Social participation
53. Cultural environment of the work place
54. Rating over the culture & environment of the adjacent area of the work place
55. Rating of the cultural environment of their own community
56. Perception about the cultural pattern of the Community
57. Rating over the present cultural pattern compare to that of previous generation
58. Scope to transmit indigenous knowledge through teaching
59. Scope to transmit indigenous culture through teaching
60. Perception about the interest of the students towards indigenous knowledge and culture
61. Scope to develop their community through teaching
62. Upliftment of the community
63. Status of the Tribal Teachers as perceived by themselves
