Appendix -I

TEST OF DEMOCRATIC VALUES

S.P Kulshestra’s
(Hindi-version)

Translation:
Dr. N. A Nadeem (co-supervisor)
Kounsar Jan (Investigator) (English version)

Please fill up the following information:

Name of the student: -------------------------- Gender: ------------------
Age: ------------------
District: ------------------

Name of the institution: ------------------

Category: Rural ( ), urban ( ), Semi-Urban ( ).

Note: Before answering the statements, read the instruments given in next page carefully.
Test of Democratic Values

Instructions

1. This is an examination question paper. Do not make any mark on the paper. You will be provided a separate answer paper. Write your name, address and other information's regarding yourself on the answer paper;

2. Start your paper when given instructions to start;

3. Start writing from the first page and answer the questions serially;

4. Write answer on the space provided in the answer paper;

5. This is not your examination give the answer what ever deems fit to you and that will be the correct answer;

6. In every question you have to indicate your own choice even if your friends, family and other members of the society do not consider it right;

7. Answer all questions. Do not leave any question undone;

8. If you want to change the answer, then cross the wrong answer like X and mark on the correct answer.

9. Do not ask any question after the examination start;

10. Do not turn the pages of the question paper unless not asked to do the same.

Instructions and Examples

Read these instructions and examples carefully. The question paper contains only 47 questions. Three probable answers are given for each question. Indicate the right answer on the space provided an answer paper, according to your choice and opinion.

Read all the three options carefully. Among the three options, which you feel the most appropriate one, mark (✓) against it on the answer paper. Mark (X) against the second option, which you feel in the inappropriate one. Keep the third option blank.
Example: -

a) Where one will be inspired for good character and behaviour
b) Where climate in good for health
c) Where one would get more chances to gain knowledge
d) According to your opinion which type of environment is useful for children.

<table>
<thead>
<tr>
<th></th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>X</td>
<td></td>
<td>√</td>
</tr>
</tbody>
</table>

A person answering the above question deems the answer (c) correct so he indicated the mark (√) on the space given an the answer paper. He marked (X) against the option (A) as he found it inappropriate one. He left option (B) blank.

Your opinion can be different from it there is a possibility, you may like all the three options of a question or you may dislike all the options. Even if you like all the options, still you have to mark on the most preferred one and mark X on the less preferred on according to your opinion.

If you dislike all the three options, still you have to mark (√) on the option which you dislike less and mark (X) on the option which you dislike more and leave the third one blank.

Your opinion can be different from it there in a possibility, you may like all the three option of a question or you may dislike all the options. Even if you like all the options, still you have to mark on the most preferred one and mark on the less preferred on according to your opinion.

If you dislike all the three options, still you have to mark on the option which you dislike less and mark on the option which you dislike more and leave the third once blank.

The question paper contains all the questions of the same type, above, care should be taken in marking for the most preferred option and for the least preferred, leaving one option blank.
For the last question, which is question No. 47, there are only two options instead of three. Against one option you have to mark (√) and against other (X) No option has to be left blank.

If you have not understood any instruction, ask for it. There is no time limit for this question paper. But don't take too much time in fussing about the answer.

Mark those answers instantaneous which you deem correct without any doubt.

After the completion of the paper, handover the answer paper, as well as the question paper immediately.

Don't open the seal of question paper, unless not instructed. Don't leave any mark on the question paper. OK get ready and start.
