

# Acknowledgements

I like this opportunity to express my deep sense of gratitude to Dr. Asoke Kumar Sen, Professor. Department of Physics and Dean, School of technology, Assam University, Silchar under whose supervision and guidance this Ph.D work has been carried out. I am indebted to him for his valuable advice, the lessons learnt from him and constant encouragement during the period of the work.

I record my sincere gratitude to IAO for providing us telescope time.

I consider it my pleasant duty to express my gratefulness to Dr. R Bhattacharjee, Head, Department of Physics, Assam University, Silchar who always inspired me to complete this research work.

I am also thankful to Professor K. Hemachandran, Dean, School of Physical Sciences for his co-operation .

I express my gratitude to Dr. P. Chakraborty, Dr. A. C Borah, Dr. I Sharma, Dr. H. S Das, Mr. Subrata Bhattacharjee and Mr. Joydeep Choudhury for their help which have been significant for the successful completion of my work.

I further express my thanks to Mr. Sibasish Bhattacharjee, Mr. Monotosh Das, Mr. Nilu Kanta Das and Mr. Partha Paul for their generous cooperation.

My thanks are due to Librarian of Assam University for providing library and internet facilities during the work.

Finally, I would like to mention that without the blessings of my parents and steady support of all my family members, this work would not have been possible.
