ACKNOWLEDGEMENTS

First of all, I express my indebtedness and gratitude to my Guide and Supervisor Dr. Projit Kumar Palit. I was constant beneficiary of his erudition and insight which illumined my path. But without his help and constant care I could not have completed this work.

My thanks are also due to the members of the staff of Silchar Municipality, who provided me with valuable information and made available to me all the documents and papers I needed from time to time. I also acknowledge the assistance I received from the staff of the following libraries:- Record Room of Deputy Commissioner’s Office, Silchar, Cachar; District Library, Silchar; Central Library, Assam University, Silchar; Gauhati University Library, Guwahati; State Archives, Guwahati; Kamrup Anusandhan Samiti, Guwahati; National Archives, New Delhi; National Library, Kolkata; Asiatic Society, Kolkata; Corporation Library, Kolkata; Visva Bharati Library, Kolkata; Tripura University Library, Agartala; Zakir Hussain Library, Aligarh Muslim University, Aligarh.

I remember with gratitude and kindness of my teachers and friends whose advice and help benefited me. I am grateful to Karimganj College authorities for allowing me to join the Ph.D. work.

I must also acknowledge my gratitude to my mother, brother, sisters, brother-in-law and other members of my family for constant encouragement. I must particularly name my husband Mr. Foyez Uddin Choudhury and my children Fahima and Fahim, who with great understanding had to bear with much inconvenience I inflicted on them.

Finally, I have to mention my deep feeling of two bereavements. Prof. Ranjit Kumar Dey, under whose guidance I started the work, passed away, depriving me all of a sudden of the benefit of his scholarship and guidance. Dr. Sujit Choudhury, whose scholarship was well known, also passed away suddenly leaving great void. They were the two who encouraged me to undertake this work. If I had not meet them, I would not have embarked on this project in the first place.
