ACKNOWLEDGEMENT

"Praise be to ALLAH, creator of the Universe, the most Gracious, most Merciful, Who gave me the courage and wisdom to carry out this work."

It is very difficult for a researcher to complete his work without supervision and cooperation of others. I am very much indebted to my highly revered supervisor Dr. Anwar Hassan, Reader, Department of Statistics, University of Kashmir, Srinagar for his excellent supervision, invaluable suggestions and timely assistance through out this work. His genuine concern and affectionate attitude always kept my enthusiasm alive to accomplish this work. He was really a source of encouragement that put a great impact on my research work. I take this opportunity to express my deep and sincere gratitude to him.

I would like to acknowledge my gratefulness to my most respected Prof. Aquil Ahmad, Head, Department of Statistics, University of Kashmir, Srinagar for his good wishes and suggestions besides providing me the facilities in the Department. His generous help at many stages made it possible for me to carry out this work. I greatly and sincerely acknowledge this.

I am also indebted to my teacher Dr. M. A. K. Baigh, and other Faculties, Department of Statistics, University of Kashmir, Srinagar for their moral support and sincere suggestions.

A special note of thanks is also due to Prof. Ismail Ahmad, Prof. Bali Singh, Prof. Bashir Ahmad, ex-principals and Dr. Shamshad Mian Principal, Govt. Degree college (boys) Baramulla for their generosity and encouragement.

My special thanks are due to Dr. C. S. Meena, Joint Secretary (NRCB), University Grants Commission, for granting me Fellowship under Faculty Improvement Programme with the help of which I was able to complete this work.
I am highly indebted to my family especially to my mother whose moral attitude and loving care has been always a source of inspiration and guided me with sound advises.

I am also thankful to the Library Staff of Indian Statistical Institute (ISI) Delhi and Kolkata for providing me the research material. It is my pleasure to thank to the Staff of Allama Iqbal Library, university of Kashmir, Srinagar for providing me the internet facility and allowed me to use the Library.

I am also thankful to Mr. Imtiyaz, Research Scholar, Indian Institute of Technology (IIT), Delhi for collecting the research material for me from Indian Statistical Institute (ISI) Delhi. His kind cooperation is greatly acknowledged.

I also acknowledge the assistance, cooperation and encouragement rendered by Research Scholars and Non-Teaching Staff of Statistics Department, university of Kashmir, Srinagar.

Thanks are also due to my Teachers, Colleagues and my friends especially Prof. Khurshid Ahmad Khan, Prof. Tariq Ahmad Shikari, Dr. Wali Mohd. Shah, Prof. Mushtaq Ahmad, Prof. Ajaz Hakak for their valuable suggestions and moral support.

I wish to express my deep sense of gratitude to my wife and children for their patience and loving care which has been a source of constant encouragement for me to carry out this work.

Finally, I greatly acknowledge the absence of my late father who could not survive to see the fruits of this work. May God bestow his Soul eternal peace. His desire in me to touch the heights of success has been constantly knocking at my soul to achieve his goals.

I apologize for my errors, omissions, printing mistakes and other shortcomings that might have inadvertently occurred.

Bilal Ahmad
