ACKNOWLEDGEMENT

I express my gratitude to Prof. Abhik Gupta, Department of Ecology and Environmental Science, Assam University, Silchar for his constant supervision, constructive criticism and constant encouragement during the entire period of my research work.

I am deeply indebted to my co-supervisor, Prof. S.P. Biswas, Department of Life Sciences, Dibrugarh University, Dibrugarh, for his constant supervision, masterly guidance, immeasurable help in compilation and encouragement during the entire period of my research work.

I extend my thanks to Dr. Jugendra Nath Das of Sibsagar College, Joysagar for photography, Dr. Abujam Santosh Kumar Singh of Gurukul Junior College, Dibrugarh for helping on performing statistical analysis and Mr. Sanjay Dakua of Aniruddha Deva Junior Science College, Dibrugarh for his helping hand throughout the work.

I extend my special thanks to Dr. Susmita Gupta and Dr. Shovan Dutta Gupta, Department of Ecology and Environmental Science, Assam University, Silchar for their immense help and constant encouragement during the entire period of my research work. I am also thankful to all the distinguished faculty members of Department of Ecology and Environmental Science, Assam University, Silchar for their co-operation and help.

I gratefully acknowledge the help and co-operation received from Mr. Bikramaditya Bakalial, Research Scholar, Department of Life Sciences, Dibrugarh University, Dibrugarh who helped in the compilation of the thesis; Mr. Mofidul Islam, Research Scholar, Department of Ecology and Environmental Science, Assam University, Silchar and Ms. Bharati Das of Kukurmara for their help.

I offer my special thanks to Dr. Sanchita Boruah, DHSK College, Dr. Debojit Barua, Lakhimpur Girls' College and Dr. Ranjita Bania of Assam Agricultural University, Jorhat.

I am grateful to the Commissioner to the Department of Higher Education, Government of Assam, for giving permission to undertake this research work. I convey my grateful acknowledgement and thanks to the Head, Department of Zoology, Cotton College and other faculty members for their help and encouragement throughout my research work.

My sincere thanks are due to my wife Mrs. Farida Rashad for her encouragement and sincere efforts to relieve me from various responsibilities during my research and my daughter Ms. Nadia.

(Md. Rashad-ul Islam)
