LIST OF FIGURES

1 Mean Percentile scores of Rural and Urban students obtained in the Intelligence Test.

2 Mean Percentile scores obtained in the Intelligence Test by High and Low Achievers coming from Rural and Urban backgrounds.

3 Mean Percentile scores obtained in the Intelligence Test by students belonging to different classes of socio-economic-status with Rural and Urban backgrounds.

4 Mean scores of Rural and Urban students obtained in six occupational areas of Interest.

5 Mean scores obtained in six occupational areas of Interest by High Achievers belonging to Rural and Urban Groups.

6 Mean scores obtained in six occupational areas of Interest by Low Achievers belonging to Rural and Urban Groups.

7 Mean scores obtained in six occupational areas of Interest by students of 'Upper' and 'Upper Middle' classes of S.E.S. belonging to Rural and Urban Groups.

8 Mean scores obtained in six occupational areas of Interest by students of 'Lower Middle' and 'Lower' classes of S.E.S. belonging to Rural and Urban Groups.

9 Mean Percentile scores obtained in different aptitudes by Rural and Urban students.

10 Mean Percentile scores obtained in different Aptitudes by High Achievers belonging to Rural and Urban Groups.

11 Mean Percentile scores obtained in different Aptitudes by Low Achievers belonging to Rural and Urban Groups.

12 Mean Percentile scores obtained in different Aptitudes by students of 'Upper' and 'Upper Middle' classes of S.E.S. belonging to Rural and Urban Groups.
Mean Percentile scores obtained in different aptitudes by students of 'Lower Middle' and 'Lower' classes of S.E.S. belonging to Rural and Urban students.

16 P.F. Profile of Rural and Urban Students.

16 P.F. Profile of High Achievers of Rural and Urban Groups.

16 P.F. Profile of Low Achievers of Rural and Urban Groups.

16 P.F. Profile for 'Upper' and 'Upper Middle' classes of S.E.S. belonging to Rural and Urban groups.

16 P.F. Profile for 'Lower Middle' and 'Lower' classes of S.E.S. belonging to Rural and Urban groups.

Mean Percent of Mark obtained by students belonging to Rural and Urban backgrounds.

Mean Percent of marks obtained 'High' and 'Low' Achievers belonging to Rural and Urban Groups.

Mean Percent of Marks obtained by students of different socio-economic-status classes, belonging to Rural and Urban Groups.
