ACKNOWLEDGEMENT

"If you do not want to be forgotten either write things worth reading or do things worth to be written."

The very reason we are on this earth is to realize the presence of God, I bow in reverence to the Almighty whose mercy, compassion and blessing has guided me at each and every step and enabled me to complete this work.

First comes the grace of God, then the kindness and mercy of the teacher. I express my sincere thanks to my esteemed supervisor Prof. Azra Nahail Kamili for her understanding, encouragement, cooperation and invaluable help in collecting, compiling, revising and giving final touch to this work.
