ACKNOWLEDGEMENT

First of all I bow in gratitude to Almighty 'Allah' Who enabled me to complete this work. It gives me immense pleasure to express sincere gratitude to my esteemed supervisor Prof. A. M. Shah, ex-Dean faculty of Science and ex-Co-ordinator Deptt. of Biotechnology University of Kashmir for suggesting this problem of vital interest, providing indebted guidance, unique sympathetic attitude and necessary research facilities during the course of this study.

Words fail to explain gratitude to my co-supervisor Dr. Azra N. Kamili (Reader) CORD for her fruitful discussion, invaluable suggestions and sympathetic attitude, which helped me to accomplish this work.

I am highly indebted to Director C.O.R.D. Prof. A. R. Yousuf for his sympathetic and encouraging attitude towards me. I am also thankful to him for providing me necessary research facilities during the course of study. My sincere thanks are also due to Mr. Fida Mohd. Departmental store keeper for his cooperation during the course of this study.

Acknowledgement is due to Dr. M.A. Dalal Senior Scientist and Head Division of Pomology SKUAST-K for his valuable suggestions, discussion and for providing the necessary plant material for this study. My thanks are also due to Mr. Bashir Ahmad (Lab. Asstt.) and Mr. M. Amin (Research Scholar) division of Pomology SKAUST-K for their sympathetic attitude during collection of plant material for this study.

I may also acknowledge Dr. P.J. Anisley University of Adlade, South Australia and Prof. Micheal, E. Compton, Wisconsin University U.S.A., not only for their incessant supply of literature but also for writing valuable suggestions to me from time to time during the course of this study.
My thanks are also due to my fellow scholar and my best friend Miss Sabeena Bashir and Mr. Syed Arshed and other colleagues, Miss Sumyra Tyub (STA), Mr. Hashum Jalil Chesti (JTA), M.Phil Scolars (Miss Anees Fatima, Mr. F.A. Shah and Mr. F.A. Bhat). Mr. Bashir Ahmad Lone (F.A.) and Mr. Firoz Ahmad (Research Scholar Zoology) for their extended sympathy and cooperation during this study.

Thanks are also due to my hostel colleagues especially Mr. Feroz Ahmad (R.S. Zoology), Mr. Khursheed, A. Ganie (R.S. Botany), Mr. M. Shafi (R.S. Geography) and Mr. Hidayatullah Tak (R.S. Zoology) for their cooperation.

Last but not least, I have no words to express my heartiest thanks for tremendous support, affection and love shown by my parents, brothers and especially my own family whose separation and agony during all these years of study I will never forget, because they were always a source of inspiration and encouragement for me.

Thanks are also due to Syed Mahboobul Hassan for typing the manuscript.
