Acknowledgment

All praise to Almighty the source of knowledge and wisdom within and beyond our comprehension and WHO bestowed His continuous boundless bounty upon me, blessed with courage of facing problems and obstacles, determination, and strength to complete this work.

My deepest gratitude goes first to my research guide Dr. Shafeek A. R. Mulla for his constant support and encouragement during the course of Ph.D. work. It has been an intellectually stimulating and rewarding experience to work with him. We experienced together all the ups and downs of routine work, shared the happiness of success and the depression of failure.

I would like to express my sincere gratitude and respect to Dr. V. V. Ranade, Deputy Director and Chair, CE-PD Division, NCL. I also wish express deep sense of gratitude to Dr. B. D. Kulkarni, former Deputy Director and Head, CEPD, NCL. I would like to extend my special thanks to Dr. Sourav Pal, Director, NCL for allowing me to carry out research and extending all possible infrastructural facilities and permitting me to present this work in the form of a Ph.D. thesis.

I thank NMR group and elemental analysis group for their help in obtaining the analytical data. I thank library staff, chemical stores, purchase staff, glass blowing section NCL for their cooperation. I thank CE &PD office staff Mr. Raheja, Mr. Bhosale and Mr. Kakade for their cooperation. I thanks to Dr. P. A. Joy, chair, Student Academic Office and staff Mrs. Puranik, Mrs. Kolhe, Mr. Pavithran and I also thank PG section of Pune University for their cooperation and help.

I am extremely thankful to Dr. C. S. Gopinath, and Prof. A. K. Nikumbh, (Dept. of Chemistry, University of Pune) for their valuable help and suggestions during my research work. I also thank to my college teachers Dr. G. M. Nazeruddin, Principal, Poona College, Dr. Md. Quadrahullah, Dr. Alamgir Shaikh, Dr. Rafeeqe Sarkhwas, Mr. Aziz Mohiyuddin, and Dr. Phadkule for inspiring me towards research.

I am extremely thankful to Dr. Sisir Kumar Mandal who was very generous and kind to me during my stay at Aditya Birla Group. More than a supervisor, he helped me a lot by his constant support and friendship.
My sincere thank goes to all my friends, one of the biggest assets of life. I always enjoyed their company and all were there for me at every stage. I would like to thank Abdul Wasif, Samir Chikkali, Tanvir Shaikh, Ilyas Shaikh, Imran Khan, Javed Shaikh Shahed Parvez and Gaffar Mulla for their unconditional support all the time. I thank to my labmates, Mohsinkhan Pathan, Santosh Chavan, and Taufeekaslam Shaikh for maintaining the friendly and cordial atmosphere in the lab. I would like to express my deepfelt gratitude to my other friends at NCL Laxman Padiyar, Ulhas Mahajan, Shafi Siddiqui, Hamid Shaikh, Suleman Mauzan, Sangmesh, Mujahid, Prakash Chavan, Majid Taboli, Balaji Selukar, Mahesh Bhure, Qudbuddin Mulani, Mohsin Momin, Ravi Ghorpade, Sarika Devkar, Abhijeet Purude, Amit kulkarni, Chandu Kulkarni, Mohan Wadikar for their help. I am very much thankful to project students Yusra, Shayed and Tehzeeb for helping me in Ph.D work.

I am indeed very grateful to my parents whose constant love, care, support and encouragement have been the main force and motivation for me. They have been always the source of inspiration and the biggest gift to me from Almighty. I am very thankful to my brothers and their wives, Ajaz-Muntaz, Mushtaque-Khairunnisa, Maqsood-Muntaz, Samiulla-Rizwana for their belief in my abilities and constant encouragement. I would like to equally thankful to my sisters and my brother-in-laws, Irshad-Abdul Sattar and Sahera-Abdulla for their help and support.

The love, dedication, support and encouragement I received from my wife Shaista helped me to complete this work and my daughter Sarah Fatima is angel and made my life more beautiful. The love and affection showered by my parents-in-law, Sabiha-Mohammad Yaseen on me is magnanimous and always supports and encourage me. I am thankful to my sister-in-law, Shagufta and her husband, Bilal with their kid Zunairah who always brought a smile on my face.

Last but not least I feel very happy to express my sincere gratitude and appreciation to all the people whose direct or indirect contribution helped me during my research career.

Finally, I would also like to acknowledge the financial support received from Council of Scientific and Industrial Research (CSIR, Delhi) in the form of Senior Research Fellowship, without which this research would not have been possible.
