ACKNOWLEDGEMENTS

I wish to express my gratitude in the deepest sense to Dr.K. Balaraman, Assistant Director, Vector Control Research Centre, Pondicherry, for his guidance, valuable suggestions and critical review of this manuscript.

I thank Padmashri Dr.P.K. Rajagopalan and Dr.Vijai Dhanda, former and present Directors respectively, Vector Control Research Centre, Pondicherry for providing necessary facilities.

I am grateful to Dr.M. Kuppusamy, Senior Technical Officer, Vector Control Research Centre, Pondicherry for his encouragement and valuable suggestions.

I am fortunate in receiving help of Dr.S.L. Hoti, Dr.M. Manonmani, Dr.K. Bhaskaran, Research Officers at VCRC. I acknowledge the assistance provided by Mr.Krishnan and Mr.V. Padmanabhan in the handling of experimental animals.

My thanks are also due to the following:

Mr.P. Sakthivel for the preparation of figures and photographs, Mr.T. Lakshimipathy and Miss.T. Ahila for the preparation of this manuscript, Mr.P.K.G.K. Pillai, Mr.G. Velayudam and Mr.A. Ravi for their help in illustration.

Financial assistance extended by the Indian Council of Medical Research, New Delhi, throughout the study period is gratefully acknowledged.

I am in debt to the excellent technical assistance rendered by the assistants, attenders and technicians of the Insect pathology laboratory, VCRC, Pondicherry.

(K. ANAND KUMAR)
