Acknowledgements

My first thanks go to my supervisor Dr.(Smt) Meenakshi Wasadikar, Department of Mathematics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. It has been great honor to be her first Ph.D student. She has taught me, both consciously and unconsciously that how good is Mathematics and how to improve it. I appreciate all her contribution of time and ideas to make my Ph.D experience productive and stimulating. I am also thankful for the excellent example she has provided as a successful women, Mathematician and Professor. I am proud to be research scholar of her.

I gratefully acknowledge the Financial assistance in the form of Rajiv Gandhi National Senior Research Fellowship from UGC, New Delhi.

My deep sense of gratitude and indebtedness to Dr. M. B. Dhakane, Professor and Head, Department of Mathematics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

I express sincere gratitude to Professor S. K. Nimbhorkar, Department of Mathematics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for his spontaneous help and several valuable suggestions during the completion of this thesis.
I am thankful to all faculty members, Department of Mathematics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their spontaneous help and kind encouragement. I would like to express extreme thanks to our librarian, clerk for their valuable help in providing me the material and references as and when required.

I am thankful to librarian and faculty members, Department of Mathematics, University of Pune, Pune for their generous help for necessary reference work.

It is my pleasure that, I have indeed a circle of good friends. Their constant encouragement boosted me all along the study, thanks to all of them.

Without the love and support of my family, this would have been a very hard journey. I thank my father Adv. Annarao Survase for teaching me good values such as hard work and appreciation for the gift of life and my mother Sow. Sulochna Survase without whom I would not be the person that I am today.

I specially thank to my brothers Sanjay, Satish, my sisters Surekha, Vaishali and Trishila without their support and encouragement, I would not have been in a position to take on this study.

I would like to thank my whole family for all their love and encouragement.

Miss. Pradnya A. Survase
