ACKNOWLEDGEMENT

I am deeply indebted to my supervisor Dr. A.K Baishya (Professor, Department of Linguistics, Assam University, Silchar) for his valuable guidance, inspiration and innumerable kind encouraging advice and also enlightening me with the knowledge of Linguistics. It would have been impossible to make this thesis a grand success without his proper guidance. I owe a sense of gratitude and humble respect to Dr. A. K. Baishya for his insightful suggestion, advice and many other academic inspirations throughout the work. But for his keen interest in my work and kind disposition towards me, my work would not have seen the light of the day.

I am also grateful to Dr. S. Ganesh Baskaran, Head of Linguistics Department, Assam University for his affectionate co-operation, encouragement and valuable suggestions.

I am also grateful to all informants for their active cooperation and sacrifice to help me in collecting the data. I would also like to express my thankfulness to Mr. Teleping, informants and well wishers whose names could not be listed for helping me in completing this Ph. D dissertation.

I am also equally thankful to Liangmai Literature Committee and the Liangmai community in general for their sincere support and encouragement in completing my work.
I gratefully acknowledge to Kabangning Baptist Church for their unceasing prayers and affection showered upon me. Most of all I am deeply indebted to heavenly father who guided me throughout my studies and without his love, my work would not have seen the light of the day.

I express my sincere thanks and gratitude to my father Shri. Ch. Wilungbou that goes beyond anything I am able to express. I shall always cherish his love, care, inspirations and encouragement, moral and financial support which brought me up until this stage of my life and career.

And the last but not the least, I would like to offer my thanks to University Grants Commission for providing me financial support in the form of Rajiv Gandhi National Fellowship.

While my debts, both general and specific are many in a venture of this sort, I accept the sole responsibility for any error that might have crept into the work.
