ACKNOWLEDGEMENTS

I am grateful to my supervisor, Dr. Anand Kumar Bachhawat, for his suggestions, criticisms and constant encouragement throughout the various phases of my research work.

I am thankful to Dr. V. C. Vora, Founder Director, Institute of Microbial Technology, Chandigarh, and Dr. C. M. Gupta, Director, Central Drug Research Institute, Lucknow, for their consistent support and encouragement.

Special thanks to Drs. Krishna Sastry, Rakesh Vohra and Nandita Bachhawat for all the timely advice and support.

I am thankful to all my colleagues and well-wishers for their warmth and support.

I am grateful to my wife Suveena Sharma for all the support and encouragement.

I wish to acknowledge my deep sense of gratitude for all the help rendered by Deepchand and Gopaldasji during the course of my work.

I am deeply indebted to my parents for their infinite patience and constant motivation.

Financial support from the Council of Scientific and Industrial Research, Government of India, and the Department of Biotechnology, Government of India, is gratefully acknowledged.

Vimal Vyas
