ACKNOWLEDGEMENTS

With the deep sense of gratitude, I express my profound indebtedness to my guides; Dr. Sunil Dutt, Associate Professor, Department of Education and Educational Management, National Institute of Technical Teachers’ Training and Research, Sector 26, Chandigarh and Dr. H.S. Bajwa, Professor, Department of Education, Panjab University, Sector 14, Chandigarh for their invaluable guidance, stimulating suggestions and constant encouragement throughout the course of this study. Words seemed insufficient to appreciate their professional acumen, supportive attitude and above all their empathetic approach which made it possible for me to accomplish this task smoothly. This work owes a great deal to the time and attention they have given to it.

I wish to express my sincere thanks to Dr. Nandita, Chairperson, Department of Education, Panjab University, and Chandigarh for providing the required facilities and academic support for completion of this research work.

I am also grateful to the Principals, Teachers and Students of various schools of Chandigarh who cheerfully helped me in carrying out the experimental work without their cooperation, this study would not have been possible.

I extend my appreciation to the Science teachers and experts who have contributed their innovative and generous ideas to develop materials of this study.

I would also like to thank Mr. S.K. Bhandari and other Administrative staff Members of Department of Education, Panjab University, Chandigarh for their administrative support during the course of this work.

I would like to thank my friends and colleagues who have encouraged me to achieve my goals. I owe my gratitude to Ms. Bharti Kapoor who gave her unconditional support to complete this research work.
I express my sincere appreciation to my husband, Dr. Sanjeev Kumar, and children Sayansh and Avani who, besides being a great emotional support, gave me several ideas during this study.

Last but not the least, I would like to express my indebtedness to all those who in this process encouraged me and always remained a source of inspiration.
