iii

ACKNOWLEDGEMENT

I wish to express my gratitude to Dr. C.V. Rajan Pillai, University Librarian, Cochin University of Science and Technology for his constant help and encouragement, valuable guidance and supervision throughout this research work.

My sincere thanks are due to Dr. M. Devaraj, Director, Central Marine Fisheries Research Institute for providing me with facilities to carry out the research work. I also wish to thank Dr. K.J. Mathew, Senior Scientist and Officer-in-charge (L&D), CMFRI.

I also express my thanks to Dr. Paulose Jacob, Head, Department of Computer Science, Cochin University of Science and Technology for the help given to me from time to time.

I am very much grateful to Mr. M. Srinath, Mr. V. Balan, Mr. T. V. Sathyanadan and Mr. P. Pavithran of Fishery Resources and Assessment Division, CMFRI, Cochin for their help during the course of this study.

My sincere thanks are due to Dr. (Mrs) Mary Manissey and Mrs. T. S. Naomi, Scientists, CMFRI, for their valuable suggestions and help.

I also would like to thank my colleagues at CMFRI, Cochin University Library Staff, Kerala University Library Staff and DRTC, (Bangalore) Library Staff who all helped me at various stages of the study.
